

RESTORES RESTRICTIONS ON HEATING AND LIGHTING

Fuel Administrator Garfield Restores Drastic Fuel Regulations Which Were in Effect During Coal Shortage of 1917—Limitations Applicable to Consumers of Bituminous Coal and Coke—Many of Restrictions Already in Force in Some States.

WASHINGTON, Dec. 8.—Viewing with alarm the steadily dwindling bituminous coal supply due to the miners' strike, Fuel Administrator Garfield by an order tonight restored for the entire nation most of the drastic restrictions on lighting and heating which were in effect during the coal shortage of 1917.

The limitations which are applicable to consumers of bituminous coal and coke were made effective tonight with issuance of the order, and are to be enforced by the railroad administration. Consumers of anthracite coal, gas and other fuels are not affected by the order.

All street lighting, other than that necessary for the safety of the public must be curtailed and stores, office buildings and industrial plants with a few exceptions are put on a reduced ration as to both lighting and heating.

Reduces Operation of Manufacturing Plants. Another of the restrictions provides that all manufacturing plants except those engaged in the making of necessary products shall reduce their operations not to exceed three days in any one week.

Electric railways are required under the fuel administrator's order to reduce schedules to minimum requirements and no heat shall be provided in electric cars during the rush hours.

Restrictions Announced Thru Railroad Administration. The restrictions were announced thru the railroad administration as follows:

No ornamental lights, white way or other unnecessary street lights, outline lighting, electric signs or illuminated billboards, show window or show case lights, are to be operated. This does not affect street lighting necessary for the safety of the public.

No cabaret, dance hall, pool hall or bowling alley shall be permitted to use light except between 7 p. m. and 11 p. m.

Stores, including retail stores, but excepting stores selling food and warehouses, must no use light (except safety lights) except for six hours per day. Manufacturing plants shall be allowed to use light only during the time prescribed for the use of power.

Drug stores and restaurants may remain open according to present schedules, but must reduce lighting one half.

Railroad stations, hotels, hospitals, telephone, telegraph, and newspaper offices are not included insofar as necessary lighting is concerned.

General and office lights must be cut off not later than 4 p. m. in office buildings except necessary federal, states and municipal offices and except where office operation of vital industries is involved.

Other Restrictions. Dairies, refrigerator plants, bakeries, plants for the manufacture of necessary medicinal products, waterworks, sewerage plants, printing plants for the printing of newspapers only, battery charging outfits in connection with plants producing light or power for telephone, telegraph or public utility companies, are exempted.

Only enough heat may be used in offices, stores, warehouses and manufacturing plants to keep the average temperature at sixty-eight degrees Fahrenheit, and then only during the hours for which light is permitted.

During other hours only enough heat is to be used to prevent freezing of water pipes or sprinkler systems.

In manufacturing plants or plants coming under power curtailment rules, heat (to 68 degrees Fahrenheit) will be allowed only during that time prescribed for use of power.

No manufacturing plant or factory shall be furnished with bituminous coal or coke or heat light or power from bituminous coal or coke furnished by or thru the United States Fuel Administration for operation in excess of three days a week on the basis of present working hours. The exceptions are dairies, refrigerating plants, bakeries, plants for the manufacture of necessary medicinal products, waterworks, sewerage plants, printing plants for the printing of newspapers only, battery charging outfits in connection with plants producing light or power for telephone, telegraph or public utility companies.

Elevator service must be curtailed as much as possible in accordance with above regulations on use of heat, light and power.

Must Reduce Schedules. Electric railways shall reduce schedules to minimum requirements of service under revised hours of heating, lighting and power as herein provided.

No heat shall be provided on electric cars during rush hours and heating during non-rush hours shall be curtailed as much as possible.

Electric railways and manufacturing plants, stores and offices are required to co-operate in arranging, within the provisions of the order schedules, days and hours of work to permit the maximum utilization of transportation equipment.

Some Already in Force. Many of the restrictions contained in the order have been in force in some states, some days have been placed in effect by regional coal committees and state authorities. The order to

PLEADS NOT GUILTY

Sen. Newberry is Arraigned Before Federal Judge

SETS DAY FOR TRIAL

After Conference With Attorneys For Government and Defense Judge Sets January 27th as Date For Trial

GRAND RAPIDS, Mich., Dec. 8.—United States Senator Truman H. Newberry today was arraigned before Federal Judge Sessions in connection with his indictment with 134 others on charges of fraud in connection with his election. He stood mute and a plea of not guilty was entered. His counsel explained that the senator was not guilty, but desired to stand mute in order to take advantage of certain legal questions that might be raised as to the validity of the indictments.

The senator and thirteen others among the men indicted by the grand jury which conducted the investigation into the Newberry election were arraigned under two indictments. There were 18 mentioned in the second indictment at the same time being among the 135 indicted under the first true bill.

Following the arraignment of the principals in the case, which cleared up all but six of those indicted, Judge Sessions went into conference with counsel for the government and for the defense and set Tuesday, January 27 as the day for the trial.

He advised counsel for the defense that the charges in the second indictment would not be considered either at the trial or in preliminary legal issues that might be raised.

The bonds of Senator Newberry were set at \$10,000 on the first indictment and \$5,000 on the second.

Judge James Murfin of Detroit, chief counsel for Senator Newberry and a majority of those indicted by the grand jury, addressed the court immediately after the arraignment, requesting the government attorneys to furnish the defense with a list of witnesses sworn before the grand jury. The court, however, suggested that it would be well to follow the usual procedure.

Judge Sessions also directed that a special venire of 150 jurors be summoned for the trial. He further directed that on the back of each summons there be printed an order from the court directing that prospective jurors refrain from any discussion of the case and permit no one to discuss it with them.

After his bonds for \$15,000 on two true bills had been completed, Senator Newberry left the building and spent the time until his departure from the city in driving about in an automobile.

D'ANNUNZIO PLANS TO FLY TO U. S.

ROME, Sunday, Dec. 7.—Captain Gabriele D'Annunzio plans to fly to the United States after the Fiume situation has been adjusted, he told The Associated Press today.

"I want to reach America on wings," he said. "I will fly to America, across the Pacific and land on your fair Pacific coast. When my task in Fiume is done and when Fiume is a part of Italy's realm, I am going to Tokio then to the clouds. Then I will look across that vast expanse of the Pacific, lift myself from this earth and start toward your land, your free America, stepping from island to island. It is unfavorable weather now, but it will be favorable in February and if Fiume is ours I will do it then."

MAY HAVE BEEN KILLED BY HUNTERS

TAYLORVILLE, Ill., Dec. 8.—Belief that Aaron Powell, a farmer, was murdered was expressed by county authorities following an inquest today. Powell's body was found in a pasture late yesterday. There was a bullet hole thru his forehead and a pencil and paper clutched in his hands. Officers are working on a theory that he was killed while taking the names of hunters he found trespassing on his farm.

JUDGE TAKES OWN LIFE

Budapest, Sunday, Dec. 7.—M. Kovacs, the judge who has been investigating the facts concerning the murder of Count Tisza, the former Hungarian premier, committed suicide today by jumping from the third floor window of the court house.

Kovacs had been accused by the extreme socialists of suppressing evidence to show that former Premier Friedrichs had knowledge that the murder of Count Tisza was intended.

ELECTED PRESIDENT

Pittsburgh, Pa., Dec. 8.—H. S. Wilkinson of Pittsburgh was today elected president of the crucible steel company of America and chairman of the board, taking the place of O. H. Wharton, who declined re-election.

MURPHY KNOCKED OUT

Philadelphia, Dec. 8.—Joe Benjamin, Pacific Coast light weight tonight knocked out Jimmy Murphy, Philadelphia, in the second round of a scheduled six round bout.

STEECHER WINS MATCH

New York, Dec. 8.—Joe Steecher of New York, Nebraska, threw Wladek Zbyszko, of Poland in a catch as catch can wrestling match here tonight, after two hours, 24 minutes, and 16 seconds.

NEIGHBOR CHARGED WITH CHILD'S MURDER

Charles S. White, Aged 20 Years, Held For Death of Little "Billy" Dancy at Hammond, N. J.

Hammond, N. J., Dec. 8.—Charles S. White, next door neighbor to the Dancy family was arrested today charged with the murder of "Billy" Dancy. Mrs. Edith L. Jones, housekeeper for Council Edward H. White, father of Charles S. White, was also arrested charged with being an accessory after the fact.

The prisoners were taken quietly out of town this morning to Mays Landing, where they were locked up in the county jail. The detectives brought them in an automobile first to the Hammond town hall where they were formally arraigned before a magistrate who was pledged to silence. No one in the town was aware of the arrests until word was received from Mays Landing tonight.

The body of three year old "Billy" Dancy was found by a hunter in a swamp near here on November 21. The boy had disappeared from his home several weeks previously and a nationwide search had been conducted for him on the theory that he had been kidnapped.

White is the owner of the Dahlia farm, adjoining the Dancy farm. He is 20 years old and the father of "Charlie" White, the child playmate of Billy Dancy. The older White told the investigators at the time of Billy's disappearance that he had seen the child in his Dahlia fields.

When the body was discovered Dr. Louis R. Souder, the county physician who examined it said that there was no evidence of foul play but that the vital organs and all parts of the body which would have aided in disclosing how the boy died had disappeared.

Edmund C. Gaskill, county prosecutor, declared tonight that he had sufficient evidence to show that the boy was murdered and to clear up the mystery surrounding his death. He refused, however, to give any information as to the grounds on which the warrants were secured against White and Miss Jones.

IN WASHINGTON FOR QUADRENNIAL MEETING

Republicans Gather to Select Time and Place for Next Year's National Convention.

Washington, Dec. 8.—The 1920 political pot was started boiling merrily today as the leading figures of the Republican party gathered here for the quadrennial meeting of the national committee with one another on candidates and campaign issues.

The ostensible purpose of the meeting is to select a time and place for next year's national convention but the committee members and their guests talked of almost everything else relating to the party.

Choice of the convention city will be made Wednesday with indications pointing to either Chicago or St. Louis and with early June apparently settled on by the leaders as the date.

In addition to the national committeemen from every state, the Republican state chairmen were invited to be here this week and a large number of editors of Republican papers are expected to attend.

Other party leaders also have drifted to Washington to exchange political views and get a share in the preliminary maneuvering that really marks the beginning of the national campaign. When the meeting opens formally Wednesday, the party managers expect the gathering to be one of the most complete of its kind in the history of Republicanism.

NOT PERMITTED TO LEAVE NEW YORK

Washington, Dec. 8.—The former German liner Imperator, now under the British flag, will not be permitted to leave New York, officials said today until the railroad administration charges that the vessel had taken on 6,000 tons of coal when her fuel permit called for only 2,500 tons.

It was intimated that if the facts warranted prosecution would be undertaken for violation of the Lever food and fuel control act.

The Imperator which recently was turned over to the Cunard line is due to sail Wednesday, but her departure may be delayed.

MINISTERS WILL VISIT SPRINGFIELD

CHICAGO, Dec. 8.—As part of the program of the Interchurch World movement, a conference will be held here today by six prominent ministers working out of national headquarters in New York.

A similar conference will be held the latter part of the week in Springfield. Next week the team will work in St. Louis and Louisville, Ky.

BERGER NOMINATED

Milwaukee, Wis., Dec. 8.—Victor L. Berger, Socialist, and Henry H. Bodensht, Republican, were nominated for congress at a primary election in the fifth Wisconsin district.

GREKS ADVANCE

Saloniki, Sunday, Dec. 7.—Greek troops in Asia Minor have advanced to the line fixed by the peace conference, according to an official statement issued at headquarters here. The zone of occupation fixed for the Greeks has thus been completely occupied.

PREVENTS PASSAGE OF CUMMINS RAILROAD BILL

LaFollette Blocks Passage of Cummins Railroad Bill

DEMANDS QUORUM

Wisconsin Senator Demands Quorum—Measure Expected to Pass Senate Within a Few Days

WASHINGTON, Dec. 8.—Passage of the Cummins railroad bill by the senate was prevented today by a demand of Senator LaFollette, Republican, Wisconsin, for a quorum. Senate leaders predicted however, that the measure, designed to meet conditions incident to the return of the railroads to private control and operation would pass the senate within a day or two.

The senate had just defeated an amendment by Senator Curtis, Republican of Kansas, to eliminate the entire section providing for the creation of a transportation board and the bill was taken out of the committee of the whole and put before the senate on its passage.

The chamber was not half filled when Vice-President Marshall called for a vote on the bill's passage and it was passed, but before the result could be announced, Senator LaFollette demanded a quorum.

This re-opened the measure for discussion and amendment and started a sharp attack on the proposal to delay the vote after the bill had been continuously before the senate for a week.

Senator Thomas, Democrat of Colorado, said he was amazed that a bill of such tremendous importance should be held up by not more than a half a dozen members in the chamber at times.

Senator Cummins, Republican, Iowa, author of the bill spoke against the Curtis amendment for elimination of the transportation board, declaring that it was necessary for some other agency to help handle many of the big questions now coming for the interstate commerce commission.

Senator Curtis insisted the best plan could be to enlarge the commission.

Adoption of the amendment, Senator Cummins said, would defeat the entire measure and the senate thereupon rejected it without a record vote.

SAYS SOME PILOTS HAD TOO MUCH BOOZE

NEW YORK, Dec. 8.—The secret of the failure of some of the pilots in the recent trans-continental air race "can be attributed to too much booze," Lieutenant Melvin W. Maynard, the "flying parson," declared in a statement made public tonight by the Anti-Saloon League.

"If all of them had been as sober as myself, I probably would not have been the winner," he added.

Lieutenant Maynard said that many of the pilots flying "half in, half out" or "half in, half out" were "drunk as hell" and that a hang over from the night before.

"A pilot needs every bit of gray matter God has given him in an emergency and to have a brain clear from hang-overs and the effect of booze is a great asset," he added.

DECLARES SOLDIERS ARE IMPROPERLY FED

Chicago, Dec. 8.—Charges that wounded soldiers in the army hospital at Fort Sheridan are being improperly fed were made in a telegram sent by Congressman Royal C. Johnson, of South Dakota to Secretary of War Baker and made public today demanding an immediate investigation.

Congressman Johnson visited the hospital yesterday he said, and asserted that patients were fed under conditions "worse than any in France." Mr. Johnson's telegram follows:

"Visited General Hospital Number 28, Fort Sheridan, Ill., today and saw at least 60 men compelled to go without dinner. I ask that the inspector general be directed to investigate this condition at once and that whatever persons are responsible be punished. General at Fort Sheridan will give testimony to bear out my charge."

BIG 4 TO CUT 40 PASSENGER TRAINS

CINCINNATI, Dec. 8.—Changes in train schedules whereby 40 passenger trains on the Big 4 railroad in Ohio, Indiana, Illinois and Michigan will be eliminated next Wednesday on account of the fuel shortage were announced by officials of the road here today.

EARLY ACTION IMPOSSIBLE

Washington, Dec. 8.—Action by the senate both on the Versailles peace treaty and the resolution of Senator Lodge, Republican, Massachusetts, proposing to declare the war with Germany at end tonight, appeared improbable until after the Christmas recess, scheduled to run from December 20 to January 5.

TAKING ON SAME CHARACTER

The evidence in the possession of the committee, Senator Fall in

MEXICAN RADICALS PLOT TO START REVOLUTION IN U. S.

Senator Fall of New Mexico Delivered His Abstract Containing Evidence to President Wilson—Following Instigation of Revolution Mexicans Planned to Seize Border States Acquired by This Government in 1848.

WASHINGTON, Dec. 8.—Evidence that radicals in Mexico with the knowledge and support of President Carranza plotted to instigate a revolution in the United States and to seize the border states acquired by the American government in 1848, is contained in the memorandum presented to President Wilson by Senator Fall of New Mexico, chairman of the foreign relations subcommittee investigating the Mexican situation.

President Carranza Linked With Plot

Plans for the proposed revolution were obtained by the subcommittee from the minutes of a meeting last October 15, in Mexico City of Lodge Twenty Three, an organization of extreme agitators and members of the Industrial Workers of the World. The Mexican president is linked most directly with the plot thru correspondence in which he recommends three men for special consideration because of their connection with "the plan which they desire to put into practice in the state of Texas." These men the committee state have been identified as active agents of Lodge Twenty Three.

Abstract of Evidence Delivered to Wilson

The memorandum contains an abstract of the evidence collected by the committee, was delivered to the president by Senator Fall Friday night and made public late today.

The notes of the October 15 meeting of the radical lodge declare "there appeared three delegates, two Americans and one Mexican who had arrived from the United States and who claimed that the society would be able at the beginning of next November, (that is November 1919) to call a general strike of all miners and metal workers in the United States; that they have three million adherents in that country where they will be able to seize one western and two Atlantic ports; that a large number of American soldiers were preparing to take sides with them and that they proposed to establish a capital of a reformed government of the United States in the state of Colorado; that when such a revolution was successful the Mexicans rendering their assistance the border states which were acquired by the United States under the treaty of 1848, would be returned to Mexico."

Men Same as Those Mentioned by Carranza.

The men referred to are the same the memorandum states as those mentioned by Carranza in letters of which the committee has secured photostatic copies. The first of these letters, dated June 4, addressed to Manuel Aguirre Berlanga, Mexican minister of Gobernacion, says:

"Senor Lino Cadallo, bearer of this letter is the person who, in company with two friends will bring to you the manifestos and the plan which they desire to put into practice in the state of Texas."

"This plan being very favorable for Mexico, pleased them in every way and give the necessary instructions in the frontier states."

"I remain your affectionate friend," "V. Carranza."

The second letter dated August 19, and addressed to the same government official follows:

"The present letter will be delivered to you by Mr. Juan N. Garcia, and the two friends from Texas who accompany him and, in accordance with our conversation please give them the guarantees they solicit as well as the pecuniary assistance they may desire."

"I remain your friend, affectionately," "V. Carranza."

Treaty With Japan? Other information secured by the committee, and which it regards as reliable, indicates that negotiations between Mexico and Japan. The document in possession of the committee states that one high official of Mexico would communicate to another high official that "the treaty with Japan is coming along," and that the writer is convinced of the "great advantages it would bring Mexico for its national integrity."

To Support Hun Commerce. Reference is contained in another document to the support the Mexican government proposes to give German commercial initiative in Mexico.

Similar to San Diego's Plan. Senator Fall's comment on the plan of revolution disclosed in the minutes of the Lodge meeting is that it would appear "preposterous, ridiculous and so fantastic as to be deserving little attention were it not for the fact that it is similar in all essentials to the plan of San Diego, which the only judicial tribunal passing upon the question was declared to have been backed or supported by armed forces thru a state of war by V. Carranza in 1915, and, second, were it not for the fact that the plan of San Diego itself antedated, and was in exact line with the note of June 19, 1917, from Zimmerman to Von Eckhart, then German ambassador to Mexico."

Recalls Zimmerman Note. The Zimmerman note contained the paragraph "We (Germany) shall give general financial support to Mexico and it is understood that Mexico is to reconquer the lost territory in New Mexico, Texas and Arizona."

In this connection the memorandum called attention to the suggestion of the Zimmerman note that Mexico communicate with Japan, suggesting adherence to the plan and offer her mediation between Japan and Germany.

Taking On Same Character. The evidence in the possession of the committee, Senator Fall in

formed the president, indicates that conditions now along the border are rapidly taking on the same character which had been assumed in our relations with Mexico, prior and subsequent to the date fixed for the uprising under the plan of San Diego.

Can Support Charges. The New Mexico senator supported his recent charges that radical literature advocating the soviet form of government was being distributed by the Mexican embassy, and the consulates of Mexico in the United States by an account of the manner in which the information was secured. A copy of the booklet was procured from the embassy by mailing a request to the embassy the senator said adding that admission by the author, Arthur Thomson, that the Mexican government was aiding him in the distribution of his article and that of itself to deserve little attention were it not for the fact that it is similar in all essentials to the plan of San Diego, which the only judicial tribunal passing upon the question was declared to have been backed or supported by armed forces thru a state of war by V. Carranza in 1915, and, second, were it not for the fact that the plan of San Diego itself antedated, and was in exact line with the note of June 19, 1917, from Zimmerman to Von Eckhart, then German ambassador to Mexico."

Weather Indications. Illinois:—Snow Tuesday; Wednesday probably fair; colder Tuesday with cold wave; temperature zero and below in northern portion by Wednesday morning and five to ten above in southern portions; fresh north to northwest winds Tuesday.

Temperatures. The current maximum and minimum temperatures as recorded Monday were:

In China the people wear cotton stuffed garments as thick as a board and don't need coal.

Chairman Hays very sensibly remarks that the present need is not "for less politics, but for more attention to politics."

Our people are becoming accustomed to daily re-adjustments to new and strange conditions.

These seem more perilous days than "during the war."

ECONOMY IN PURCHASING.

The Saturday Evening Post declares that economy in buying is one of the best ways of attacking the high cost of living, and if this were practiced a short time prices would adjust themselves naturally. It says:

A great public responsibility is resting on the shoulders of the men who are at the head of the great corporations that dominate basic industries. They cannot evade it; they must measure up to it. By their moderation, their fairness, their honesty of purpose, they can confound their critics and rout the reds. Lower prices on the necessities of life will set in motion the processes that will inexorably force down prices all along the line. It takes big men, farsighted men, intelligently selfish men to sacrifice large immediate gains for continuing profit and stability, but there are many such men in American business. Bourbons and other boneheads have always kept right on trucking, gouging, grabbing and oppressing until the tumble called to take them to the guillotine.

"Meanwhile, the people can cooperate with intelligent business men in their policy of decency, by buying wisely, by insisting on full value. Only the fool buys lavishly,

and without asking prices or looking around. Cash, carry and cut out the profiteer. Pass the word along when you find a man who is selling close, as volume will help him to sell even closer. Pass the word along when you find a man who is overcharging, as lack of volume will put him out of business. Even if you are a profiteer yourself, do not let any one profiteer on you. That will help some, and the public will attend to your case in due time. It can always take back good will."

FACTORS AFFECTING PRICES

In an address entitled "Factors Affecting Prices," delivered before the Poughkeepsie Chamber of Commerce, Poughkeepsie, N. Y., Francis H. Sisson, vice president of the Guaranty Trust Company of New York, said in part as follows:

"It does not think that all commodity prices have reached their peak. I base that conclusion on many facts, foremost of which is world scarcity of goods. I need not discuss that point, for you are all familiar with the vast devastation and curtailed production of peace time products which five years of the most destructive war in all history occasioned. Years will pass before world production can again become normal. I need cite but two illustrations to show the wide-spread want of necessities. Europe has only 55 per cent of its food requirements; it needs more than four and one-half billion bushels of grain, and there is available in all the world only about one billion bushels. Europe's shortage of coal is in excess of two hundred millions tons—and that means, of course, greatly decreased production, as well as intense suffering. Europe must have these necessities, and consequently, as the law of supply and demand is ever operative—despite legislative enactments and bureaucratic decrees designed to suspend such fundamental economic laws—there is seemingly little prospect of materially reduced prices, at least for the immediate future.

"And surely we cannot reasonably expect commodity prices to decrease in this country while there exists here the present epidemic of strikes, especially in such industries as coal and steel, which lower our production not only in those industries but, by virtue of their basic character, in practically all other industries."

WHY DON'T MEN GO TO CHURCH

Some men who persistently absent themselves from what is called the house of God evidently refrain from attending because they do not care to have any other fallible mortal set himself up as a censor of their morals and their conduct. They heartily approve of themselves, and it ruffles their egocentric natures to be told that anything is amiss.

Some men choose to regard church-going as a harmless pursuit for women and children, but not worth the serious attention of one who has important business on the go.

Some men stay at home because the day of rest to them means a day of dawdling inaction instead of a day of spiritual refreshment.

One sometimes hears it said from the pulpit that the Sunday paper is the reason why people do not go to church. If this is so, it seems desirable to improve the quality of the papulum of the Sunday newspaper. Most modern clergymen read the newspaper on Sunday just as they do on any other day, so that if they are preaching on live topics they will be abreast of the information of those who hear them. Is there anything particularly holy in being ignorant of what is happening to human beings in the world we live in? Moreover, to read the news features of any newspaper it takes very little time. The longer and weightier articles may always be laid aside for a more leisurely consideration.

Often men keep out of church because they are wanting in the associative spirit as well as in the sense of reverence for that which is higher than themselves. They condemn the church unheeded, on the theory that it still carries as baggage a sterile heritage of

creed and ritual from the dark ages of blind belief. They do not know what the church is doing to make the earth better, and not simply to save its own precious soul from verdiction. The church is what men and women make it, and instead of coining epigram or feeble excuse against it let them look within and ask themselves what they can do to improve their own institution in God's name.—Philadelphia Public Ledger.

A HODGEPODGE OF CABINET COMPOSITION

The Republican Publicity Association, thru its president, Hon. Jonathan Bourne, Jr., gives out the following statement from its Washington headquarters:

"The President's message to Congress was a distinct disappointment to both parties. But as the belief seems to be general that Mr. Wilson was not the author of the document, the chief criticism directed toward him is that he may have been a party to a deception of the American people as to his true physical condition. But, even here, there is room for doubt. It is reported that up to the day of the delivery of the message the President had not yet been informed of the Mexican crisis. Hence it is quite possible that he was but little, if at all informed as to the contents of the message attributed to him. It is nowhere Wilsonian; it is everywhere Democratic."

"The message commences with a discussion of a budget system, the author apparently having overlooked the fact that the House passed a bill for a budget system last session which is now before the Senate and part of the Republican constructive program for this session. The next relay of the message deals with taxes and the tariff. With respect to the former we find the party which has made such terrific onslaught on industry in the past, weakening and expressing some concern as to whether further onslaughts might not be destructive of business activity and production of goods and efficiency. Dealing with the latter, the Democratic party is seen running true to pre-war form, for here is a frank demand for free trade. "Anything which would tend," says this author "to prevent foreign countries from settling for our exports by shipments of goods into this country could only have the effect of preventing them from paying for our exports and therefore of preventing the exports from being made. The productivity of the country greatly stimulated by the war must find an outlet by exports to foreign countries and any measures taken to prevent imports will inevitably curtail exports, the force, curtailment of production, load the banking machinery of the country with credits to carry unsold products and produce industrial stagnation and unemployment."

"This assertion is made in the face of the fact that our imports for the first ten months of the current year totaled \$3,100,000,000, with promises of \$4,000,000,000 before the year is out, compared with less than \$1,800,000,000 the year before the war broke out. Asia accounted for 27 per cent of this competition in 1919, compared with 15 per cent in pre-war days; North America nearly 33 per cent, compared with a pre-war of 22 per cent. And, excluding Austria-Hungary and Germany, our imports from Europe for the first ten months of this year, notwithstanding all the travail thru which that country has passed, amounted in value to precisely the pre-war figure for the similar period—\$536,000,000—indicating the rapidity with which Europe is recovering; and to that flood of goods must soon be added the products of the Central Powers. How the American producer can find a market for his goods abroad, where he must meet the same competition that is menacing his market at home, thus curtailing his production and increasing his unit cost, is a problem impossible of solution.

"A large part of the message deals with the labor situation and this bears all the earmarks of having been written by Secretary Wilson of the Department of Labor. Author number three finds that the causes of unrest are superficial, which may be due to the fact that the Administration has had but seven years to foment the unrest. He advocates the labor principles contained in the league of nations, contrary to the views of nine Democratic Senators who voted to eliminate the entire la-

bor program. He demands recognition from Government of the right of collective bargaining, but evades the issue of representation of labor's choosing. In fine, the message appears to be a pot-pourri of cabinet composition, seasoned with quotations from previous messages; and too many cooks have quite spoiled the broth."

Rippling Rhymes
By Walt Mason

The Magazines.
I went to buy some magazines, as any sane man would; the merchant showed a can of beans, and said 'twas just as good. "There are no magazines," he said, "a strike made them suspend; but here's a loaf of graham bread, will do as well, my friend. You've not enough of piecyunes to buy a single mag; but we have codfish, cheese and prunes and onions in a bag." Alas, there are no substitutes for magazines, indeed; I would not give a dozen hoots for life, with naught to read. When magazines are on the stands, appealing to my purse, I paw them over with idle hands, and say there's getting worse. But when there are no magazines my nights are flat and gray; I yawn and think of soup tureens until I seek the hay. I miss the gripping, vital tale that used to freeze my blood; and checkers are of no avail, and life's one ghastly thud.

ROBERT WARWICK
—IN—
"In Mizzoura"
A Paramount-Arcraft Picture
Sweethearts—once. But now he was just plain country sheriff and the girl, with her "education," had risen quite beyond him. How different he was from the "cultured gentleman" who had won away her love!
But when her fine lover proved to be a robber and a murderer, and a yelling mob called for his life, then she learned of the stuff that makes a man.
SPECIAL ADDED ATTRACTION
A Two-Reel Sunshine Comedy

Always Good Music by Brown's Orchestra.

THIS IS A SHOW WORTH ATTENDING
Laugh With Her Cry With Her Sympathize With Her
NAZIMOVA
The Incomparable in
"THE BRAT"
Her Latest and Greatest Production
Adapted from Maude Fulton's sensational stage success. Presented in 7 bubbling acts. Where devotion in rags shames jealousy in silks. In the charity homes, in the chorus, and in the dark haunts of the city's slums—people called her "THE BRAT". She never knew any other name. One night an author found her among the drab derelicts of a Police Court. He took her home and she met his fiancée. Then!
One of the chief charms of Nazimova is her amazing originality. She is an exponent of the bizarre. She detests the commonplace, and her superb artistic equipment enables her to venture daringly where another less wonderfully equipped actress would fail.
Brown's Orchestra has made a special effort in selecting music for this wonderful Picture
Admission—10 and 25 Cents (War Tax Included)

RECORD BANKING SUM IN PENSIONS

Government Pays Out Huge Sum to Smallest Number of Pensioners Since 1890.

Washington, Dec. 8.—A record breaking sum in pensions was paid by the federal government during the last fiscal year despite the fact that the number of pensioners was the smallest of any year since 1890.

This was revealed by the annual report today of the commissioner of pensions, who said \$222,129,292.70 was paid to 624,427 persons during the year, as compared with \$179,835,328.75 to 646,895 pensioners the year before. The largest number of persons ever on the pension roll was 999,446 in 1902 and they received a total of \$137,502,267.99.

Total pensions paid to date on account of the Civil War, the commissioner said, was \$5,299,259,509.39 and the total amount of all was \$5,617,520,402.30 including \$65,211,665.71 on account of the Spanish-American war.

Last year 3,724 pensioners were scattered thru 63 foreign countries, including one on the island of St. Helena. They must receive a total of \$1,185,188.45.

The net reduction in the pension roll during the year was 22,468, the number of names removed being 32,148 and the number added 9,681.

Ohio led the states with the largest roll, there being 60,902 pensioners drawing \$21,582,330.04. Pennsylvania was second with 59,072 pensioners drawing \$20,630,813.44. New York third with 53,736, receiving \$19,631,090.72 and Illinois fourth with 43,976, receiving \$15,956,335.52.

WILL MEET TODAY

The Ella Ewing Missionary Circle of Central Christian church will hold their regular monthly meeting at the home of Miss Katie Clarkson, 350 West College avenue this evening at 7:45 o'clock. A large attendance of members is desired.

SUPPER POSTPONED

The Brooklyn church supper and bazaar has been postponed to Tuesday, December 16th. If the coal situation is not settled by that time the supper will be postponed indefinitely.

INDEFINITELY POSTPONED
The regular meeting of the Pastoral Helpers is indefinitely postponed on account of the coal shortage.

RECOVERS FROM TYPHOID
Frank L. Story of east of the city, who has just recovered from a second attack of typhoid fever, was in te city on business yesterday.

COULDN'T GET WORK DONE
Miles Fitzpatrick and family of the vicinity of Douglas Institute drove to town yesterday as it was too cold for the auto to work. Mr. Fitzpatrick wanted to get his horses shod, but couldn't get accommodated.

MARRIAGE LICENSE
Thomas Israel, Murrayville; Mary Harris, Louisiana, Mo.

Herman Werries of Meredosia was a business visitor in the city Monday.

DELIVER TREATY NOTES
Paris, Dec. 8.—(By The Associated Press.)—The supreme council's notes dealing with the peace treaty were delivered to Baron von Lersner, head of the German delegation, this evening.

REACHES KALIDJATTI
Batavia, Java, Dec. 6.—Saturday.—Captain Ross Smith, the Australian aviator who is attempting to fly by airplane from England to Australia for a prize of £10,000, arrived at Kalidjatti, West Java, this afternoon.

MEXICAN RADICALS PLOT TO STAR REVOLUTION IN U. S.

(Continued from Page 1)

of what President Carranza calls his "Blue Book" at various places in this book attention is called to "the oppressive policy" of the United States toward Mexico and stress is laid upon the assertion that President Carranza has resisted every encroachment, and in every instance "from the first proposed Niagara conference down to and including the American protests as to nationalization of land and other properties."

He has been successful by refusing absolutely to yield in any respect to the demands of this government.

Gives Author Advice.
The memorandum also contained a copy of a letter said to have been written by Carranza to Miss Hermila Galindo, who had written a book entitled the Carranza Doctrine. The Mexican president's note to her concerns a second book which he said he wished her to write and with this in view, he was sending her a copy of the "Blue Book" which he said would justify the attitude of his government in its systematic hostility toward foreign speculators, especially Americans and English.

"Do not forget my injunction," Carranza wrote, "to describe in lively colors the tortures of the American policy with relation to our country causing the figure of Wilson to stand well out as the director of that policy."

EDWARD FULCHER IS ADMITTED TO PROBATION

Edward Fulcher, who has been in jail on a charge of larceny, was admitted to probation yesterday by Judge Smith and is now under the charge of Mrs. Coblick, probation officer. Fulcher early in the term entered a plea of guilty and subsequently asked that the order be set aside sending him to penitentiary and that he be admitted to probation.

THE CLOSING HOURS

There were few lights to be seen in the business district after 4 o'clock yesterday, although there were a few exceptions. Most business men who have been requested to close at 4 o'clock are not only closing but are leaving their places of business. Some few remain in their stores but use lamps or candles for lighting purposes. Quite naturally those who close and leave wish that the rule might be followed by all.

RETURN FROM VISIT.

Mr. and Mrs. S. W. Carter of West College street, have returned from an extended visit with friends in Vermont and other eastern places. They return much pleased with their outing and visit.

MR. MILLER STILL ILL

James W. Miller, who was here from Decatur Sunday to visit his brother, J. Marshall Miller, at his home on West North street, Mr. Miller has been ill in bed for the past two weeks. While he is now much improved, he is still far from being a well man and is not yet able to sit up.

FUNERAL NOTICE

The remains of Daniel arrived in the city Monday morning and can be seen at the Reynolds Undertaking parlors. Funeral will be held this afternoon at 2 o'clock.

MOTOR TO SPRINGFIELD

S. T. Erickson went by auto to Springfield yesterday, conveying Rev. Mr. Bulton, who has been assisting in the meetings at Union Baptist church, and N. A. Curry.

Mase Rowe and Al. Downard, of the Press-Lite Co., drove to Carrollton Sunday to visit relatives. Mr. Downard stopped in Springfield on business. Mr. Rowe driving home Monday.

FUEL IS STILL AN ABSORBING THEME

Local People Take Hopeful View and Believe Strike About Over—Some Monday Receipts—Wood Very Plentiful.

The advisory committee of citizens organized to co-operate with the fuel committee met in conference Monday afternoon at the city hall. The sessions lasted for nearly an hour and various matters relative to interpretation of the rules and regulations laid down by the state utility commission were considered. Most of the members were feeling optimistic over the prospect of an early strike settlement and were hoping that it will not be long until business can run in the usual course.

Some Available Wood
Offers of wood continue to come in to the fuel committee. George Stansfield, 235 East Michigan avenue, has from 75 to 100 cords of wood, most of which was cut on the ground adjacent to the new reservoir. Some of this wood is cut into stove lengths and is now ready for delivery.

Albert Killam, living a few miles west of the city, has a considerable number of down trees and offers them to any one who will work them up into wood suitable for stove or furnace use.

An Emergency Supply
Andrew Russel has more coke in the basement of his home on Mount avenue than his immediate needs demand and also several cords of wood. Mr. Russel yesterday sent word to the committee that his fuel stocks were at the disposal of the committee for distribution at any time that the committee feels this is desirable.

C. P. & St. L. Men Ready to Aid

The coal shortage has resulted in a shut down for a few days at least at the C. P. & St. L. shops. This shut down has made it possible for the men to offer their services in cutting wood. A special committee including Frank McKenna, Clay Corbridge, George A. Smith and Roy McLain was named to arrange the matter and after a conference with Supt. Ingham it was stated that practically all of the men at the shops are willing to donate their services for a wood cutting campaign if the advisory and fuel committees feel that the situation makes such action advisable.

It is easy to understand what a large contribution would be made to the local fuel supply if the car shop men, armed with axes, were turned loose in some of the adjacent timber land for a few days' time. During the war the C. P. & St. L. men responded loyally to every appeal and they are still manifesting that same spirit.

Five Cars Arrived Monday

Monday morning chairman Hackett of the fuel committee was informed of the arrival of five cars of eastern coal. There was still some coal in dealers' hands from Saturday and a fair supply is thus available. Because of the high price of this coal dealers have naturally refrained from buying in large quantities. They believe that if the strike ends soon that it will not be long until Illinois coal is available and at about half the price of this eastern product. Today the action at Indianapolis will show whether or not the local dealers have been wise in "going slow" on eastern coal purchases.

One dealer yesterday received a car of coke and there are several cars of eastern coal in transit expected to arrive today. In addition there are a number of cars of hard coal, coke and wood moving toward Jacksonville. Many people are being inconvenienced here on account of the fuel supply but there is no reason why in any instance there should be actual suffering, when the amount of coal, coke and wood in sight is considered.

Short on Gas Coal
Supt. Gray of the Jacksonville Railway & Light Co. is very much worried over the non-arrival of a number of cars of gas coal. It is the failure to receive this gas coal that has made it necessary for him to cut off sales of coke. Yesterday one of the cars of eastern coal was delivered to him for gas making purposes, and he sincerely hopes that he will get a line today on the location of the cars that have been shipped to him from Kentucky.

Another Tree Offered
Cal Viera, living at 1008 East Independence avenue, is another Jacksonville citizen who has offered the fuel committee that he has a tree on his premises that he is willing to have removed for the wood. This a large tree and so located that it will not be difficult to cut it down and prepare it for fuel uses.

Will Divide
Miller Weir yesterday informed the fuel committee that he has some surplus supply of both coke and hard coal. Mr. Weir said that he was very willing to divide up his supply but preferred to designate to whom the fuel would be sent, as he knows of family friends whose supply will last only a few days longer.

VISIT IN CARROLLTON
Mr. and Mrs. John Kastrup have returned from a visit to Carrollton, where they visited at the home of Mrs. Kastrup's sister, Mrs. Magill. Mr. and Mrs. Samuel Lavery of New York were also guests at the Magill home, as was Miss Amy Bowman, another sister.

ATTENDING TRIAL
William F. Miller and L. G. Prough of Jerseyville are in the city attending the Reddish murder trial.

MOTOR TO ST. LOUIS
Don Butler and Lewis Clancey left yesterday morning in an automobile for a visit of a few days in St. Louis.

MAIL SERVICE IS BADLY CRIPPLED

Time Card Changes Cut Off Journal Subscribers from Prompt Deliveries.

The change in railroad schedules will mean some delays for mail subscribers of the Journal. Papers cannot now reach Franklin, Waverly, Murrayville, Woodson, Sinclair, or Ashland in time for rural carriers to take them on their routes. Papers for Franklin and Waverly under present schedule must leave Jacksonville at 2:10 in the afternoon instead of 7:05 a. m.

The papers for Woodson, Murrayville and other points south of the Chicago & Alton cannot be sent out until 10:15, instead of 8:45 a. m. Formerly mail for Sinclair, Prentice and Ashland was taken on the a. m. train and on the new card these papers will not leave Jacksonville until 4:55.

In view of the prospect of an early strike settlement it is very much to be hoped that the old time card can be restored at an early date. The curtailment of service means a great deal to Jacksonville merchants, as the number of train visitors under the new schedule will certainly be greatly reduced.

RESTAURANT MEN AGREE ON SCHEDULE

Restaurant owners met yesterday to decide upon an opening and closing schedule. E. A. Brennan is chairman of the committee and at the conference it developed that all restaurant and cafe owners were very willing to reach an agreement and to comply with the wishes of the utility commission and the local committee. All restaurants are expected to close at 7:30 each evening except one.

Batz's Cafe was open until midnight Monday and will be open again Wednesday and Friday. Ben Owen's restaurant will be open Tuesday and Thursday. Saturday night Batz's, Owen's, DeSilva's and Benson's will remain open until midnight and all those named except Batz's will remain open on Sunday. James H. Hall will close each night at 7:30 o'clock. The whole schedule was arranged in an amicable manner.

PASSED AWAY

The following is sent the Journal by Mrs. Emma Clark, formerly of this city and now of Devil's Lake, North Dakota.

"Dies at some time in the day for want of breath at the residence of Mrs. M. E. Clark, 815 Farlington avenue, one of her pet canaries. The funeral will take place as soon as the snow leaves the ground so a grave can be dug. The deceased was ten years, five months and twenty-eight days old. All persons having birds are invited to the funeral."

VISITING PARENTS

Miss Lucy Coultas of Washington, D. C., arrived in the city today to spend her vacation with her parents, Mr. and Mrs. R. R. Coultas of South Jacksonville.

Christmas Offerings

We had the Christmas season in mind when we made our stock purchases.

You are invited to inspect the numerous useful gifts for men and boys which our offerings of clothing and furnishings affords.

COUNCIL WILL ASK SEWER INVESTIGATION

Special Committee Will Ask Department of Public Welfare to Make Preliminary Survey—Final Settlement With J. T. Walbridge.

A survey of the sewer system of the city will be asked of the department of Public Welfare by the council and the special committee appointed by Mayor Crabtree to investigate the sewer needs of the city.

This action was taken at the last meeting Monday evening at request of A. C. Metcalf, who has been elected secretary of the special committee. Mr. Metcalf stated that he had written to the department of Public Welfare at Springfield and that Paul Hansen, chief of the department of municipal sewerage had written to the department was ready willing to make an investigation.

For Gifts Consider

Vacuum Lunch Kits

Vacuum lunch cases make an exceptionally fine suggestion for Christmas. With their ability to carry lunches large or small, to keep them hot or cold and in the handy cases in which they come—well, here's a gift superior for boy or girl going to school or man or woman going to work, and next summer one will be appreciated in the car or as an easily carried vacation or touring lunch case.

tion of the city sewer system and make recommendations. However, he stated that the request must come thru some city official.

The John T. Walbridge Engineering company was given a final settlement on recommendation of Ald. Chapin. The sum of \$500 was withheld until some uncomplicated work is done. Mr. Walbridge also was extended a vote of thanks by the council for his excellent work.

When the clerk called the roll it showed all aldermen present except Ald. Ehrie and Williamson. Ald. Ehrie came in later and took his place in the council. The minutes of the last regular and special meetings were read and approved.

A number of claims against the city were presented and ordered paid when funds are available.

Reports of Officers

The report of Dr. A. M. King, health warden, showed a total of 47 deaths during November. First ward, 12; second ward, 1; Third ward, 3; fourth ward, 31. Under one year, 1; five to twenty years, 1; twenty to fifty years, 9; fifty to seventy years, 17; over seventy years, 17.

The report of J. M. Coons, justice of the peace, showed a total of fines collected \$125. J. P. costs \$27. City costs \$11.70.

Ald. Flynn said that he was unable to attend the meeting of the special committee to investigate the sewer system held last Friday night because of the special council meeting.

Pay Final Estimate.

Ald. Chapin stated that the Walbridge Engineering Company had practically completed the work of building the dam except some small work that could not be done until spring. He recommended that Mr. Walbridge be paid his final estimate with the exception of \$500 to cover this work which would be turned over when the items are completed. The council concurred in the recommendation.

The alderman also reported that the Caldwell Engineering Company had been employed to draw plans for a power house. It was the purpose to work in conjunction with the firm of Pearce and Greeley who drew the plans for the filtration plant and have them built as one unit.

In reply to an inquiry from Mayor Crabtree as to the condition of the Vandavia road Ald. Chapin stated that there was about three feet of water over the road. Ald. Chapin also reported

FORMER RESIDENT HERE DIES IN HIGHLAND PARK

Mrs. A. E. Ayers Passed Away Monday Morning—Remains Will Be Brought to Jacksonville.

Mrs. Augustus E. Ayers died Monday morning at 5 o'clock at the home of her daughter, Mrs. John T. Alexander, at Highland Park. A great many years of Mrs. Ayers' life were spent in this city, but after the death of her husband most of the time was spent in the homes of her children. Before her marriage in 1851, Mrs. Ayers' name was Miss Annie Diller and the early family home was at Downingtown, Pa. It was in that city that the marriage to Mr. Ayers took place and shortly afterward the Diller family removed from Pennsylvania to Springfield, Ill.

Mr. and Mrs. Ayers began their married life in a cottage on West State street which was afterward the site of the handsome brick house so long known as the Augustus Ayers home and is now the property of John S. Hackett. It was in this home that Mr. Ayers passed away in March, 1902. Even at that time Mrs. Ayers was in frail health and it was not possible for her to long bear the burden of the management of a home, and she went to Highland Park to be with her elder daughter.

Mrs. Ayers was a charter member of Westminster Presbyterian Church and during her residence here was identified with the various church activities. Even after she became a resident elsewhere Mrs. Ayers did not lose her church interest and was a liberal supporter of the church and of the missionary societies. Her going leaves but two charter members surviving, Mrs. Sarah Riddle and Miss Staley, both now residents in Jacksonville.

Mrs. Ayers was a woman of liberal education and broad culture. Individual dignity of manner characterized her at all times and the gentleness and charity of her spirit was known to all who came within the range of her friendship. Thru all the years the deceased was generous in philanthropic work and many were the persons in unfortunate circumstances who came to know of her generous interest in them.

In these latter years the loss of eyesight had been one of the trials Mrs. Ayers met, but that affliction was borne with the same patience that marked her general attitude toward life. The deceased is survived by three daughters, Anna R. Alexander, wife of John T. Alexander, of Highland Park; Mrs. Florence Raynor, Champaign; and Mrs. Grace D. Uford, wife of C. W. Uford of Canton, Ohio; and one son, Rev. Augustus M. Ayers, a resident of Mississippi. Mr. Ayers was for a number of years a successful Illinois minister and later became prominent as both a minister and business man in his southern home.

The remains will be brought to this city and funeral services will be held at 2 o'clock Thursday afternoon at the Reynolds chapel.

Funerals

Michaels.

Funeral services for Mrs. Elizabeth Michaels were held from the residence, 904 North Main street at 2 o'clock Sunday afternoon in charge of the Rev. T. H. Tull, pastor of Grace church.

Music was furnished by Miss Cora Graham, Mrs. Mae Hitt, T. H. Rapp and W. W. Gillham. The flowers were cared for by Misses Ada and May Lambert.

Burial was in Jacksonville cemetery, the bearers being: D. L. McCarty, John Roberts, A. M. Robinson, W. J. Moore, Ralph Cowgur and Thomas Galtens.

Dwyer.

Funeral services for Miss Ella Dwyer were held from Salem Lutheran church Sunday morning at 11:30 o'clock in charge of the Rev. J. G. Kuppler. Music was furnished by Mr. and Mrs. Robert Stice, Mrs. William Brune and Mr. Sayers.

The flowers were cared for by Miss Jeanette Frommel, Miss Irene Hall, Miss Martha Hall and Miss Elsie Osterholt.

Burial was in Jacksonville cemetery, the bearers being: William Brune, Herman Brune, Dewey Brockhouse, Phillip Schultz, Jr., Orville Gaitner and Orville Zimmerman.

With the Sick

The eldest daughter of Fred Crowley of Detroit, formerly of this city is sick in a Detroit hospital with diphtheria.

Harry Pinkerton spent Sunday with his wife in St. Louis and is glad to report the lady much better and hoping to be able to enjoy Christmas with home folks.

Births

Mr. and Mrs. Ensley Moore were yesterday notified of the arrival of a daughter at the home of Mr. and Mrs. George K. Moore near Wayne, Neb. This little daughter makes a family group of four, as there are three sons in the western home.

Born Saturday evening to Prof. and Mrs. H. C. Hopkins of Diamond Court, a daughter, Elizabeth Louise.

CLOSING OUT SALE

There will be a combination closing out sale at the home of C. F. Virgin, situated 7 miles east of Murrayville and 2-1/2 miles north of Nortonville, Thursday, December 11, 1919, consisting of horses, hogs, cows, calves and farming implements.

VIRGIN & DOOLIN.

Social Events

Entertained For Miss Cain's Guests

Miss Dorothy Weber entertained a number of young folks Saturday evening in honor of Miss Catherine Cain's guests Miss Margaret Karr of Belleville and Miss Vivian Richardson of Edinburg and Misses Loretta Piepenbring and Sarah Morton of this city. A slumber party was also enjoyed and a lunch being served at a late hour.

Entertain at Dinner Party Sunday.

Mr. and Mrs. T. J. Wilson of West Walnut street entertained a number of friends Sunday evening at a dinner party given in honor of the eighteenth birthday anniversary of their son, Clarence Foster. The fine dinner and pleasant evening were much enjoyed by all present.

Amoma Class Elects Officers.

The Amoma Class of the First Baptist church held their annual business meeting Monday night at the home of Miss Louise Guyette, 328 South Church street, with a good attendance. A cafeteria luncheon was served at 6:30 o'clock followed by the business session. The following officers were elected to serve for the ensuing year:

President—Mrs. Alex Rabjohns.

Vice president—Mrs. George Corbridge.

Secretary—Mrs. Henry Casey.

Assistant secretary—Mrs. Geo. Busey.

Treasurer—Mrs. T. O. Hardesly.

Assistant treasurer—Mrs. Aaron Ashley.

Chairman social committee—Mrs. Edgar Busey.

Assistant chairman—Mrs. Charles Laney.

Chairman visiting committee—Mrs. E. O. Mayer.

Press reporter—Miss Orville Louie Guyette.

CARD OF THANKS

We wish to thank the many friends and neighbors who assisted us so kindly during the illness and after the death of our daughter and sister. For flowers; also thank those who furnished cars.

Mrs. Katherine Dwyer and Family.

COMBINATION SALE

at the home of C. F. Virgin, 2-1/2 miles north of Nortonville, 7 miles east of Murrayville, Thursday, December 11—horses, cattle, hogs; implements, vehicles and harness.

H. E. VIRGIN, J. DOOLIN.

SOME FINE FRUIT

S. T. Zachary has received from his nephew, John Jackson, at Opportunity, Washington, a box of especially fine apples which he prizes highly. He received a similar box last year and remembers it with pleasure.

FORMER RESIDENT DIES AT QUINCY

Joseph K. Sharpe For Many Years a Resident Here, Passes Away at Soldier's Home—Was Veteran of Civil War—Burial Will Be Made Here.

F. L. Sharpe received a message Sunday telling of the death of his brother Joseph K. Sharpe which occurred at the Soldier's Home in Quincy. He had been in poor health for some time and for the past two years had been confined to the hospital at the home.

Deceased was the son of Abishia P. and Frances L. Sharpe and was born in Pike county August 20, 1842. He grew to manhood there, coming to Jacksonville in 1866. He entered the employ of J. S. and G. S. Russell in the lumber business and was with them for twenty-five years. After severing his connection with the lumber firm, Mr. Sharpe engaged in the live stock business which he followed for many years and was accounted successful in that work.

In 1868, Mr. Sharpe was united in marriage to Miss Martha D. Gibbs of Griggsville. To this union ten children were born, all of whom except two daughters, preceded him in death. He also leaves two brothers, F. L. Sharpe of this city and Charles S. Sharpe of Warrensburg, Ill., and one sister Mrs. L. H. Pratt of Springfield.

During his long residence here Mr. Sharpe made many friends by his unfailing courtesy. He was a regular attendant of Westminster church and took an active interest in the affairs of the church.

The remains arrived in the city Monday evening from Quincy and were taken to the mortuary of J. G. Reynolds. Funeral services will be held from the Reynolds chapel at 2 o'clock Wednesday afternoon in charge of Matt Starr Post G. A. R. Burial will be in Diamond Grove cemetery.

UNTIL FURTHER NOTICE OUR STORE WILL CONFORM WITH THE ORDER OF THE UTILITIES COMMISSION. WEEK DAYS: 9 A. M. to 4 P. M.; SATURDAYS, 9 A. M. to 9 P. M. DAVIS SWITCH

Mr. and Mrs. Hugh Vorhees
expect soon to move to the late
Charley Taylor farm in the As-
bury neighborhood. Mr. Vor-
hees has sold his farm near
Woodson and bought the Taylor
farm. Their many friends and
neighbors are sorry to give up
such good people but Asbury will
be the gainers to have them in
their midst.

Mr. and Mrs. Dick Butler while
returning from spending the day
with J. H. Devore and family on
last Friday had the misfortune
to turn their car over. Mrs. But-
ler was seriously injured. The ac-
cident happened near the home of
Mr. Butler's brother, J. S. Butler.

one and one-half miles north of
Woodson where Mrs. Butler was
taken. She is under the care of
Dr. Jones of Woodson.

Mr. and Mrs. C. O. Winter and
daughters spent Sunday with Mr.
and Mrs. George Winter and fam-
ily southeast of Woodson.

Robert Harney sold and shipped
a load of hogs to the St. Louis
market recently.

George, the little son of Mr.
and Mrs. Otto Grimmer is quite
sick at this writing. Dr. Jones
of Woodson was called to see the
little fellow.

The many friends of John
Hoagland are glad to know he is
able to be out again after several
weeks illness. Mrs. Hoagland and
son Albert were able to be at
church last Sunday, having been
kept at home on account of Mr.
Hoagland being so very sick.

MOTOR CAR DESTROYED
Last Friday evening about
5:30 o'clock an Overland five-pas-
senger automobile belonging to
Oliver A. Hamm of South Church
street was completely destroyed
by fire near his home. Mr. Hamm
contributes the cause of the fire
to defective wiring in the car.
He had the machine well insured.

GRACE CHAPEL

The Willing Workers of Grace
Chapel church were delightfully
entertained at the beautiful new
home of Mrs. William Jones
Thursday afternoon, Dec. 4, with
thirteen members and several vis-
itors present. The meeting was
opened by song, "Sunshine in the
Soul," after which the 23rd Psalm
was read by Miss Mae McFadden,
followed by:

Prayer—Mrs. Harry Ogle.
Minutes and roll call.
Reading, "The Greatest Gift"
Miss Marie Mason.

Song, "I Need Thee Every
Hour."

Reading, "Practicing Economy"
Mrs. Bessie Bourn.

Business.
Reading, "The More Abundant
Life"—Miss Edna Ogle.

One new member was added.
Mrs. James Winner, making a
membership of 32 members. As
this was the month for the elec-
tion of officers for the following
year, a motion was made and
properly seconded, the retiring
officers retain their same offices
for the ensuing year. They are:

President—Mrs. Harry Ogle.
Vice president—Mrs. O. G. Din-
widdie.

Secretary—Mrs. Harry Braner.
Pianist—Miss Edna Ogle.
Librarian—Marie Mason.

The meeting closed with a
song and the closing verses. After
adjournment a jolly social time
was enjoyed by all. A delicious
two course luncheon was served
by the hostess assisted by Mrs.
James Gish.

Mrs. John McFadden is very ill
at this writing.

Mr. and Mrs. Wall Mason were
Jacksonville callers Wednesday.

Mrs. Nellie Braner was a busi-
ness visitor in Jacksonville Sat-
urday.

Mrs. Nellie Braner called on
Elmer Smith and family Friday
evening.

Mrs. Harry Braner and Miss

Edna Ogle are preparing a Xmas
Cantata, "Santa's Xmas Barrel,"
at Grace Chapel church. Date
will be announced later.

Winter coat clearance.
This season's latest styles.
Ladies', Misses' and chil-
dren's at a reduction now of
25 per cent. **FLORETH CO.**

DURBIN

Clarence Hawker took a car of
hogs to East St. Louis last week
and also attended the livestock
show in Chicago.

The Sunday school social on
Friday evening is to be in the
form of a spelling contest.

Chas. Lashmet and E. D. Scott
shipped a car of hogs to St. Louis
last week.

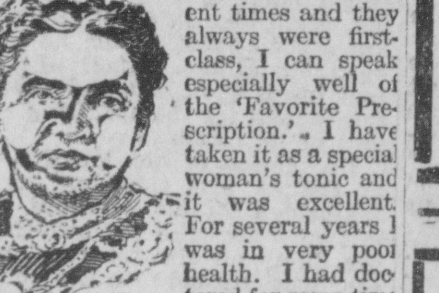

Misses Maude Criswell and
Ruth Tulpin of Franklin spent
Saturday and Sunday with Mrs. T.
B. Smith.

25 acres situated near Durbin
church and belonging to the Fran-
ces Rawlings estate was sold at
auction Saturday and brought
\$548.25 per acre.

The W. H. M. S. will meet with
Mrs. Lavinia Scott on Thursday
afternoon.

ILLINOIS FOLKS TELL OF EXPERIENCE

Freeport, Ill.:—"I can highly recom-
mend Dr. Pierce's medicines. While I
have taken some of nearly all of these
medicines at different
times and they
always were first-
class, I can speak
especially well of
the 'Favorite Pre-
scription.' I have
taken it as a special
woman's tonic and
it was excellent.
For several years I
was in very poor
health. I had doc-
tored for some time
without results and I was in a miserable
state when I decided to write to Dr.
Pierce's Invalids' Hotel, Buffalo, N. Y.,
for advice concerning my ailments."

"I am sure I owe my good health to
today to Dr. Pierce, and perhaps my
life, and I cannot say enough in praise
of his skill and also his good medicines."
Mrs. E. Scovill, 329 Elk St.,
Galena, Ill.:—"Some years ago I was
afflicted with catarrh and liver trouble.
My blood was impoverished and an
abscess formed over my liver. I was
in a serious condition when my husband
brought me a bottle of Dr. Pierce's
Golden Medical Discovery, a vial of
Pleasant Pellets and a package of Dr.
Sage's Catarrh Remedy. My improve-
ment was noticeable from the very start
but I took seven bottles of 'Golden Medi-
cal Discovery' so as to be cured and
restored to perfect health."
"My sister also had a most satisfactory
experience with the 'Discovery,' which
she took for an asthmatic condition.
Two bottles of it absolutely cured her
asthma and for thirty-five years after-
wards she continued praising 'Golden
Medical Discovery' and recommending
it to persons afflicted with asthma or
bronchial affections."—Mrs. A. HATTI
MOORE, 518 Dewey Ave.

Careful Workmanship

We take special pride in performing al our work in
a careful, painstaking manner. In other words, we
are in love with our work. When you entrust a re-
pair job or the installation of new fixtures to us, you
have the assurance that it will be done to your sat-
isfaction.

Jacksonville Plumbing & Heating Co.
Careful and personal attention paid to repairing, overhau-
ling and remodeling heating and plumbing equipment.
Ill. Phone 35 224 West State St. Bell 8

TO THE PUBLIC

If you should read a statement in this paper that a certain
medicine would cure all the ills the human flesh is heir to, you
would not believe it, and you would be right.

We do not claim that Nateki Blood Purifier is a cure all,
but we do say, without fear of contradiction, that it will, if
taken according to directions, relieve or cure 88 per cent of
the all ments for which it is recommended.

We expect, from time to time, to print in the columns of
this paper letters from people who have taken this medicine,
and let you judge for yourself from what they say.

These letters are just as they were written or dictated by
the writer, and are not dressed up to attract the eye. If you
doubt the truth of any of the statements you may read in these
letters, write to them and find out for yourself.

We guarantee it, and if you receive no benefit after taking
three bottles, we will cheerfully refund your money.

United States Railroad Administration

WALKER D. HINES, DIRECTOR GENERAL OF RAILROADS

Wabash Railroad

Effective Monday, December 8, 1919

To conserve fuel the Wabash Railroad will make the follow-
ing reductions and revisions in its passenger train service:

Springfield-Quincy Accommodation Train No. 53 leaving
Jacksonville at 6:34 a. m., and Quincy-Springfield Accom-
modation Train No. 52 arriving Jacksonville at 5:49 p. m. will be
discontinued.

Bluffs-Quincy Accommodation Trains Nos. 50 and 51 between
Bluffs and Clayton will be discontinued. Service between
Clayton and Quincy will be operated in connection with Train
No. 3.

Decatur-Quincy Express Trains Nos. 3 and 12 will do local
work, making all stops between Springfield and Quincy.

For further particulars, see Local Ticket Agent.

H. E. Watts, General Passenger Agent, St. Louis, Mo.

It's Barely Possible

NO one has warned
you that your stor-
age battery re-
quires special attention in
wintertime.

If you plan to run your car
through cold weather Prest-O-Lite Service
will prevent your stalling some zero morning,
or having dim lights during a long winter
night.

If you store your car for the winter, your bat-
tery needs special storage preparation. Prest-
O-Lite Service attends to this and returns
your battery efficient and energetic in the
Spring.

An expert inspection costs you nothing, for
Prest-O-Lite Service is the year-round friend
to motorists. Let's get acquainted before the
first freeze.

HIGHWAY MEETING HELD IN BEARDSTOWN

Organize Burlington, Beardstown, Jacksonville Division of Mississippi Valley Highway Association—District Club Will be Organized Here—H. K. Chenoweth Elected Secretary.

The Burlington, Beardstown, Jacksonville branch of the Mississippi Valley Highway Association was perfected at a meeting held in Beardstown Monday afternoon.

C. J. White of Beardstown and George F. Kuhlman were elected temporary chairman and temporary secretary respectively of the new division. These men were given this compliment because of their being president and secretary of the old Burlington Way when it was organized in Beardstown in 1912.

The delegates present from Jacksonville were: Vincent Riley, president, and ReLoyle T. Potter, secretary of the Morgan County Good Roads Association, C. N. Priest and H. K. Chenoweth.

A resolution was adopted favoring the abolishing of the Burlington Way branch north of Jacksonville with the exception of the Macomb-Rock Island division.

The first annual convention of the division will be held the first week in September, 1920. The executive committee will select the place of meeting of which due announcement will be made.

The same by-laws adopted by other divisions of the Mississippi Valley Highway Association were adopted by this branch. The Jacksonville-St. Louis division will be organized at a meeting to be held at the Mineral Springs Hotel in Alton Friday afternoon, December 12 at 2 o'clock.

The meeting to organize a district club of the division for Jacksonville will be held at the Duniap Hotel Wednesday afternoon, December 10 at 2 o'clock. It must be impressed upon all residents of this vicinity that the organization of the Mississippi Valley Highway gives added importance to the trail which was not true when it was known as the Burlington Way. A membership means much to Jacksonville. It is earnestly desired that every farmer and every citizen of the county interested in good roads attend the meeting Wednesday.

The officers of the new division are:

President—C. J. White, Beardstown.
Vice president to be selected by Macomb Commercial club.
Secretary—H. K. Chenoweth, Jacksonville.
Treasurer—W. S. Henderson, Rushville.
Directors:—
Jacksonville—C. N. Priest, Concord—W. N. Zahn, Arenzville—George Brockhouse, Rushville—J. Henry Young, Littleton—R. C. Runkel, Industry—Oscar Gautz, Pleasant View—Dr. J. A. Baitow.
Frederick—A. L. Curry, Macomb—J. W. Kiefer, Blandinsville—J. H. Huston, LaHarpe—J. B. Lyons, Terre Haute—J. J. Byron, Lomax—E. Harvey, Burlington—Charles Schlister.
The following members of the Mississippi Valley Highway Association were present: H. C. Wilhite, secretary-manager, Alton; E. H. White, chief engineer, Springfield; Frank R. Sweet, state representative, Springfield; Reiman Engelbach, treasurer, Arenzville; A. E. Nissen, organizer, Iowa City, Iowa.

PET CORNS

Drops of "Freezone," Then
the Pain Right Off

A tiny bottle of "Freezone" costs so little at any drug store; apply a few drops upon any corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off with your fingers. Truly! No humbug!—Adv.

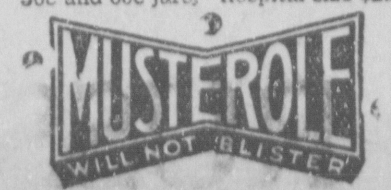

Remember Tonsiline

TONSILINE is the National Sore Throat Remedy—it is sold in every State in the Union. Most people buy a bottle occasionally because most people occasionally have Sore Throat. They buy it for the prompt, welcome relief it brings to sufferers from this ailment. You can forget Sore Throat if you will only remember TONSILINE and get the bottle NOW that waits for you at your druggists. Look for the long necked fellow on the bottle when you get it. 35 cents and 60 cents. Hospital Size, \$1.00.

MOTHERS DO THIS—

When the Children Cough,
Rub Musterole on Throats
and Chests

No telling how soon the symptoms may develop into croup, or worse. And then when you're glad you have a jar of Musterole at hand to give prompt, sure relief. It does not blister. As first aid and a certain remedy, Musterole is excellent. Thousands of mothers know it. You should keep a jar in the house, ready for instant use. It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frosted feet and colds of the chest. (It often prevents pneumonia). 30c and 60c jars; hospital size \$2.50.

Deaths

Nortrup.

Charles Nortrup, aged three and one-half years, died at Passavant Hospital at 5 o'clock Monday morning. The body was taken to Gilman's and prepared for burial, and was sent to Bluffs Monday afternoon. Funeral services will be held from Neeleyville Lutheran church and burial will be in Neeleyville cemetery. The time will be announced later.

Coffman.

James W. Coffman died at his home northeast of the city at 3:45 o'clock Sunday afternoon. Deceased was the son of Isaac Francis and Harriet Rebecca Sloan Coffman and was born in this county April 15, 1855. He was united in marriage in February 1876 to Miss Elizabeth Kinner.

He is survived by the following children: George H. and James H. Coffman, Springfield; Mrs. Clara DeFries, Mrs. Cecil L. Servance, Mrs. Lydia Miller, Mrs. Elizabeth C. Trimble, Jacksonville; William S., Springfield; Miss Rachel G. Coffman, Miss Agnes H. Coffman, Jacksonville. He also leaves the following brothers and sisters, A. H. Coffman, D. E. Coffman and Miss Lillian M. Coffman, Jacksonville, and Mrs. Susan Lammie, Springfield.

Mr. Coffman was a carpenter by occupation and followed his trade for many years. He was a member of the Christian church and a man highly respected in the community.

The time of the funeral will be announced later.

Charlesworth.

Mrs. Margaret Alice Valley Charlesworth died at the home of her mother, Mrs. Hattie Valley, seven and one-half miles south of Arenzville Sunday evening at 8:30 o'clock. She suffered an attack of influenza and had never fully recovered, death coming after several months suffering.

Deceased was born near Concord November 23, 1894. February 20, 1912, she was united in marriage to Edward Charlesworth. She is survived by her husband and two children, Thelma and Cecil Edward Charlesworth. She also leaves her mother, three brothers, Arthur, Charles and Gus, three sisters, Mrs. Carl McFadden, Mrs. Josephine Smith and Mrs. Bessie Lockhart. Her father preceded her in death many years ago and one brother Joseph Charlesworth was killed in France.

Funeral services will be held from Arenzville M. E. church Wednesday morning at 11 o'clock in charge of the Rev. Mr. Yemm.

Desiring to make shopping easy for the customers, FRANK BYRNS Hat Store has arranged to give them prompt service.

Matrimonial

Israel-Harris.

Thomas Israel of Murrayville and Miss Mary Harris of Louisiana, Mo., were united in marriage in the county clerk's office in the court house at 6 o'clock Monday evening by Justice A. B. Opperman. The ceremony was witnessed by Miss Lorena Fitzgibbons and George L. Riggs. They will reside near Murrayville.

Surratt-Meyers.

John H. Surratt of Chapin and Miss Katherine Meyers of Versailles were united in marriage at the court house Monday morning at 10 o'clock by Justice A. B. Opperman. The ceremony was witnessed by William McDaniels and Clara Surratt. The groom is in the employ of the C. B. & Q. railroad and they will make their home in Chapin.

Herring-Baumgartner.

Yesterday Charles L. Herring of Bloomington and Miss Virginia Baumgartner of Lowder came to the city and solemnized their marriage with a marriage license bought the parsonage of Centenary church where Rev. D. V. Gowdy was found and ready to perform his ministerial duty and in due season the young people were made husband and wife. They were unaccompanied, the only witnesses being the worthy minister and his family. The groom is a carpenter and it is understood the newly-married pair will live for the present with the bride's family at Lowder.

One cent sale Dec. 11th to 16th. Luly-Davis Drug Co. Both Stores.

Oliver Crooks will leave today for Canton, expecting to remain until after Christmas at the home of relatives.

Housework is a Burden

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Jacksonville women. Read what Mrs. A. Long of 900 Beesley Ave., Jacksonville, says: "Doan's Kidney Pills are the best kidney remedy I have ever used and I have recommended them to many people. I took Doan's Kidney Pills for lameness across my back which was so bad I could hardly get through with my housework. My kidneys weren't acting right either. I was advised to use Doan's Kidney Pills and I got some at Allcott's Drug Store. They soon removed the complaint and I haven't noticed any symptoms of that trouble since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Long had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

WINCHESTER WOMAN DIES MONDAY MORNING

Mrs. Mary Burns, One of the Pioneer Residents of Scott County Passes Away After Several Months Illness—Other News of Winchester And Vicinity.

Winchester, Dec. 8.—Mrs. Mary Burns passed away at her home north of Winchester Monday morning at two o'clock after an illness of several months duration. While not confined to her bed long, she grew gradually weaker. She was a woman of a kind disposition, a woman who loved her home, her family and her friends, a woman who will be greatly missed in the community in which she so long resided and in which she was so well known. At the time of her death Mrs. Burns was about 82 years of age. She was a faithful member of St. Mark's Catholic church and attended services there as long as she was able to attend. She is survived by the following children: Miss Mary Collins at home, Mrs. Anna Dempsey of Omaha, Neb., Thomas Collins of Chicago, and Fred Burns of north of Winchester. Funeral services will be held Wednesday morning at nine o'clock at St. Mark's church.

News Notes.

Miss Anna Jefferson returned home Monday from a few days visit with friends in Merritt.

Mrs. Carl Berry of Merritt was a business visitor in Winchester Monday.

Mrs. Edward Dempsey of Omaha, Neb., arrived in Winchester a few days ago, called here by the illness of her mother, Mrs. Mary Burns.

Charles Watson of York, Pa., is visiting his mother, Mrs. Electa Watson.

Mrs. Boon Welch returned Saturday night from a short stay in St. Louis.

Rev. C. W. Casely is confined to his home by illness.

Wilcox-Fitch.

The marriage of Miss Beatrice Fitch of Winchester to George Wilcox of Camp Grant, occurred Monday afternoon at four o'clock at the home of the bride's sister, Mrs. Joseph Hanson, the Rev. W. B. Morris officiating. The groom is a member of the United States Army and is stationed at Camp Grant. The bride is among the newer residents of Winchester, making her home with her sister here, and is a young lady already popular in a large circle of friends. The future plans of the young people are unknown.

Your Christmas Shopping

You are now thinking of presents for your friends. Of course you are thinking of the useful and practical sort, the kind that will be appreciated. Make some of your friends happy with foot wear of some kind. Perhaps some child could use a pair of shoes or house slippers. Some adult could use a pair of dress or comfort shoes, a pair of house slippers in felt or leather.

More and more footwear is being considered an ideal Christmas gift. When you are undecided and do not know just exactly what to buy, just think of footwear, there are so many kinds, some of your gifts can be some kind of footwear.

Large assortments of footwear await your inspection. If it is to be slippers, buy early, is our advice.

TO MAKE ARGUMENT IN REDDISH CASE BEGINNING OF END IN COURT THIS MORNING

Defense Strengthened Alibi Claim of Accused Man—John W. Mackelden Most Important Witness of Day—State Offered Little Evidence in Rebuttal at Night Session.

Argument in the trial of Dr. Horace A. Reddish, charged with the murder of his father, will begin in the circuit court this morning at 9 o'clock. The state will open with either State's Attorney Paul M. Hamilton or State's Attorney Carl E. Robinson making the address, and W. J. Chapman will make the final address. Judge Smith conferred with attorneys Monday night at the close of the session and it was agreed that three shall speak for the prosecution and three for the defense, with no limit as to time. Last night it had not been determined which of the attorneys for the defense would make the speeches.

Mackelden on Stand.
The most interesting witness of the day was John W. Mackelden, who is also under indictment for complicity in the murder of Mr. Reddish. The defense presented Mackelden on the stand at the morning session in the endeavor to establish the alibi claimed by Reddish. Mackelden testified that he slept with Reddish at the Mackelden home in St. Louis on the night the crime was committed. Mrs. Mackelden and Mrs. Stephen Reddish were also witnesses and testified along the same line. It was 4:25 in the afternoon when the defense rested, and as the prosecution was expecting witnesses from Jerseyville, adjournment was taken until 7 o'clock at night.

Very little evidence in rebuttal was presented by the state. Paul Foyaraband of Jerseyville, Fred Howell, treasurer of Jersey county, James Barth, of Jerseyville, and A. H. Buehrig, of St. Louis, all testified that they heard John W. Mackelden say in Jerseyville on May 1 or 2 that he would see to it that anybody who dared to connect the name of Horace Reddish with the murder of his father would be prosecuted to the full extent of the law.

It has been the claim of the state that Mackelden made such statements or threats before there had been suggestion of the guilt of the defendant.

Conflicting Stories.
Mrs. Clarence Reddish was on the stand again at the night session and the state attempted to prove thru her that Mackelden was at the Reddish home following the funeral and came from the room formerly occupied by Horace Reddish with a bundle under his arm and subsequently burned the contents. Mackelden had testified at the morning session that he did not have such a bundle but the answer made by Mrs. Reddish last night contradicted the statement was stricken from the evidence as improper.

The first witness at the session Monday morning was H. J. Gubner, undertaker of Jerseyville, who testified in detail about the condition of the bodies of Mr. Reddish and Rachel Cisco and described the wounds. His statements varied from those of the other witnesses in that he expressed the opinion that four shots were fired at Mrs. Cisco and he believed the bullet which entered the left side of her face caused her death. There were some variance also as to the garments that the murderer's victims wore when he as undertaker first viewed them.

Aaron Cisco was next called and his testimony was brief as objections from the prosecution kept out facts that the defense expected to bring into consideration from this witness. Cisco is a resident of Bloomington and according to his statements made, had not lived with Mrs. Cisco for seven years prior to her death. It was intimated that while in Jerseyville some years ago to take care of sick relatives that she had an infatuation which resulted in her separation from her husband.

To Prove an Alibi.
You could have heard a pin drop in the court room when John W. Mackelden was called, but there was nothing sensational that developed from his testimony. Mackelden certainly made a good witness for his answers came quickly and decisively, and the prosecution was not able to entangle him. The witness testified that Horace Reddish and his mother arrived at the Mackelden home April 11 and were there until April 29.

Attorney Sullivan of the defense put the questions and the witness said that he left home each morning at about 6:30 o'clock for his position with the John T. Milkin Co.; that he returned home every evening about 7 o'clock. He testified that each and every night during the period mentioned that Horace Reddish and he slept in the same bed and that the defendant went to bed each night not later than between 10 and 11 o'clock.

The witness told about the time that he was notified by Mrs. Clarence Reddish of the murder of her father-in-law, and of his subsequent visit to Jerseyville. An earlier witness had shown that on the afternoon of the day following the night on which the murder is said to have been committed that Mackelden had spent a number of hours wandering about in the river bottoms. Although the testimony was ruled out as immaterial, the witness stated that he was a collector for the Smithsonian Institute and made it a part of his business to collect specimens of bugs and reptiles.

Mrs. John Mackelden was on the stand again at 1:30 o'clock and resumed her testimony. The witness stated that Mrs. S. M. Reddish was at her home in St.

Louis during the period she was Howard Thompson, whose office is located about 5 1/2 miles from the Mackelden home. The witness stated that Mrs. Reddish, her son, Dr. Horace Reddish, the latter's son Hubert, accompanied the witness and her husband home from Jerseyville on April 11.

Questioned about what the members of the Mackelden family did on Sunday, April 20, the witness said they with Mrs. Reddish and defendant, went to Cliff Cave on a day's outing, leaving in the forenoon and returning late in the evening. Upon their return they found that S. M. Reddish and C. G. Reddish had been at the house, as they found a card bearing their names.

The witness said that there are two beds in the Mackelden home and that the defendant, his little son and Mr. Mackelden occupied the front bedroom upstairs, while Mrs. Reddish and the witness slept in the back bedroom. There was a door between the two rooms and this door stood ajar, according to the witness.

Mrs. Mackelden stated that her husband was at work as usual on Friday, April 25, and that he was at the house after supper and retired at about 10:30 o'clock that night. She said that the defendant and his son had retired at an earlier hour. She stated that neither her husband nor the defendant left the house that night after they retired. The witness said that she arose about 6:30 the next morning, that Dr. Reddish arose soon after the rest and had breakfast with them. She stated that they made a visit to the doctor's office that afternoon. The defendant, Mrs. Reddish, Hubert Reddish and the witness. She said they all remained at home that night. Dr. Reddish retired soon after 10 o'clock. According to the witness her husband went to the Naturalists club room that evening after supper and returned home something after midnight. The witness stated that she had a nervous headache that night and did not lie down at all and was awake all night. She stated that she could have heard any sound in the room next to hers and knew that no one could have left the room without her knowledge.

On Sunday, April 27, the witness said the weather was rainy and that no one left the house all day. On Monday morning, she stated that her husband went to work at the usual hour, and she thought the rest of them made a trip to the doctor's office that afternoon. The witness stated that the defendant, his mother and his little son started home after 3 o'clock on Tuesday, April 29. She stated that she received word of Mr. Reddish's death about 2 o'clock Wednesday afternoon, April 30, and that her husband gave her this information. She said she was also advised of Mr. Reddish's death at about 3 o'clock the same afternoon by Mrs. Clarence Reddish.

The witness told of going to Alton that evening to see her sister, who was a patient at St. Joseph hospital because of a broken limb. On Thursday morning, according to the testimony of the witness, the defendant and Mr. Mackelden went to Jerseyville and that she went there on the afternoon train. After the funeral they had supper at the home of S. M. Reddish and returned to Alton that evening. The witness stated that she returned to her home in St. Louis on April 2.

When cross examined the witness stated that she went to Jerseyville on April 5 and remained there at the home of her sister until April 11, when she returned to St. Louis accompanied by Mrs. Reddish, the defendant and the latter's son. She stated that her husband accompanied her to Jerseyville April 5 but returned to St. Louis the following day. The witness stated that they arrived at the Mackelden home at about 6:30 o'clock April 11 and that Mr. Mackelden had not yet arrived from his day's work.

The witness said they all remained at home on Sunday, April 13; that S. M. Reddish was there that day and returned home in the evening, accompanied by the defendant who was to return to St. Louis with the Reddish car. The defendant returned about 11 o'clock the next morning, according to the witness. She said she thought they made a trip to the doctor's office that afternoon and that the car was left in the driveway at the Mackelden home that night and for a night or two afterward. She was not sure when the car was taken to the barn, but she thought it was Wednesday, April 16.

The witness was called upon to give an account of the happenings of each day from the time the car was taken to St. Louis until the defendant, his mother and his son left for Jerseyville April 29. She was closely questioned as to the actions of her husband and the defendant on various occasions, and was also questioned as to her own health during that period. The witness stated that she was ill all of the time her sister was at her home and that neither of them slept all night.

The room occupied by the defendant and Mr. Mackelden had two doors, one opening into the back bedroom and the other into the front hall. The back bedroom, occupied by Mrs. Reddish and the witness, had a door leading into the back stairway. The witness stated that her sister, the defendant and the little boy intended to return to Jerseyville on Sunday, April 27, but that the weather prevented. She said it rained all that day and the next, and that on Tuesday morning the weather was still threatening but that it cleared up by afternoon and the start was made at some time after 3 o'clock.

Mrs. S. M. Reddish, the mother of the defendant, was the next witness called. She stated that she was sixty four years of age and that she was married in 1880. She was asked to tell about her trip to St. Louis in April and stated that she went to take treat-

ment from Dr. G. Howard Thompson. She stated that her husband visited the Mackelden home on Sunday, April 13, and that her son, the defendant, accompanied him home in order to bring back to St. Louis the family automobile. She stated that the defendant returned on Monday, April 21, with the automobile and that he was not away from the Mackelden home any night that week; that Mr. Mackelden spent every evening at home except Saturday evening, when he went to a club room, returning after midnight.

The witness testified that her son came into her room on Friday night, April 25, after they had gone upstairs to retire, and asked if there was something that he could do for her. The witness stated that on both Friday and Saturday night she and her sister were feeling so badly that they slept but little, spending part of the time walking the floor.

Defendant Did Not Leave Room.
Mrs. Reddish testified to the fact that Sunday, April 27, was a rainy day and that all the members of the Mackelden household remained at home all day. She stated that she was certain the defendant could not have left his bedroom any night after retiring without her knowledge, and it was her statement that the defendant and Mr. Mackelden were both at home on the nights of April 25 and 26; altho on the latter night Mr. Mackelden did not return from the Naturalists club until after midnight.

The witness stated that she took her last treatment on Saturday, April 26, and that the return trip was begun on Tuesday, April 29. That day, she testified, they left the Mackelden home shortly after 3 o'clock and arrived in Alton between 6 and 7 o'clock. After supper they went out to look at the weather and found it raining, and they therefore decided to remain in Alton overnight. The witness then told of the visit to the mineral spring in the basement of the hotel, and of her fall at the bottom of the stairs. The following day, the witness stated, she was taken to the hospital between 12 and 1 o'clock and remained there for a period of eight weeks. She learned of her husband's death that evening, she stated.

Devoted to Each Other.
Asked as to the relations existing between the murdered man and the defendant, the witness stated "They were devoted to each other." However, the prosecution objected to this answer and the objection was sustained. Then the witness stated that the relations between the father and son were friendly.

Under cross examination the witness stated that Mr. Mackelden was not at home when they arrived at the Mackelden home on April 11, and she thought he was not there at all that night. She stated that her son spent most of the time each day there but that sometimes he went for a short walk with his little son. The witness said that Sunday, April 27, was rainy and the same was true of the next day. On Tuesday afternoon the weather had settled sufficiently for them to undertake the trip to Jerseyville. They had lunch about noon that day, the witness said, and the defendant went for the car about 2 o'clock, and was gone probably half an hour.

Visit Made at Her Request.
The witness testified that the visit to the mineral spring in the hotel in Alton was made at her request. She stated that she did not know whether or not her son had made a previous trip down to the spring, but she thought he had not.

Following Mrs. Reddish's testimony, W. L. Alexander was called to the stand. Witness stated he had lived in Jacksonville practically all of his life with the exception of about eleven years, that he was now conducting a hardware store and dealt in firearms and cartridges. The witness was shown a box of cartridges and asked to state if he sold them. The attorneys for the prosecution objected to this question and to practically every question asked the witness, and the objections were for the most part sustained. However, the witness was allowed to state that he had witnessed the weighing of the lead bullets taken from two 38 calibre cartridges and that they weighed 150 grains.

No Previous Knowledge.
Under cross examination the witness stated that he had lived in Jacksonville about four years since returning the last time, and that he had been engaged in the hardware business for about two years here. Prior to that time, he said, he was in Chicago a part of the time. He stated that he was in the hardware business in Corydon, Iowa, five or six years ago. The witness stated that he had no knowledge of the weight of bullets prior to Monday, when he had seen the two lead bullets weighed.

The next witness to take the stand was Byron Armstrong who stated that he was in the retail drug business in Jacksonville, and seemed to be doing well, but was when asked if he had weighed lead bullets that day, attor-

neys for the prosecution objected and the same was sustained. Mr. Armstrong stated that 150 grains would equal six pennyweight and six grains, apothecary weight.

Mackelden Recalled.
At this point John Mackelden was recalled for cross examination. He was asked if he had told anyone in Jerseyville on Sunday, that he knew defendant was in bed on Saturday night because he woke him up and asked him to go snake hunting with him the next day. To this the witness answered, "I did not." He was then asked if he had a conversation with Mr. Buehrig, Mr. Catt or Mr. Hamilton in Jerseyville on Saturday, in which he told of having had the conversation with Dr. Reddish on Saturday night. The witness also denied having this conversation. He was questioned about alleged conversations with Mr. Hendricks, reporter for the St. Louis Globe, Paul Anderson, reporter for the St. Louis Post, and denied having said anything to either of the men mentioned about having asked Dr. Reddish to go snake hunting.

Had No Telephone.
The witness was asked at what time he first learned of the death of Mr. Reddish, but objection was made to this question and same was sustained. He stated that he did not have a telephone in his home on April 30.

One of the attorneys for the accused man asked the witness if he had had a conversation with Dr. Reddish on Saturday night about going snake hunting, and he replied "I did."

At 4:25 o'clock it was announced that the defense rested.

\$21.00 to \$30.00

FOR THE TRAVELLER

Bags—single and double handle—all leathers—black, brown and mahogany—for men and women.
Wardrobe Trunks—three-fourths and full size.

MYERS BROTHERS.

EMERGENCY HEAT
The following suggestion is offered for use in an emergency, either for cooking or for furnishing heat, for those not having an oil stove:

Place a dry brick in a pan and pour over it a pint or more of kerosene, letting the brick absorb as much oil as it will; let the brick drain well, so that there is no surplus oil on the surface, then place it in the fire box of your stove on a bed of live coals. The heat from the live coals will vaporize the kerosene as it comes to the surface of the brick, and a very brisk blaze and considerable heat will be made, the brick acting in the nature of a wick. If it becomes necessary to use this method, several bricks should be in use, so that a second can be put into the stove as soon as the first burns out. The softer the brick is, the more kerosene it will absorb and the longer it will burn; likewise, the softer the brick the more chance there is that the heat will break the brick. This plan is not given for those having oil stoves as it is supposed that an oil stove will be more economical in both time and oil. This worth while suggestion was made by Judge W. E. Thomson.

A Sure Shine

Eagle Brand Polishes surely do produce a better shine and a more lasting one than any other polish you can use. This is because of the high quality of the materials, the know-how in making and our determination to make only the best.

EAGLE BRAND POLISH

For Black and Tan Shoes

For a brilliant waterproof shine these polishes have no equal—and they are positively beneficial to the leather.

Stayshine comes in black only. It removes dirt, scuffs and gray spots. Eagle Brand Paste Polish comes in Black, Russet, Ox-Blood and Brown.

These polishes do not contain acids or spirits—nothing but the purest wax and oils. They will not injure the finest leather.

Ask your dealer for Eagle Brand Polishes—there's a dressing for every shoe, and none better is made.

Manufactured by AMERICAN SHOE POLISH CO. CHICAGO

Sold by the Following Dealers:

W. F. Cook, J. N. Zell, M. D. Shanahan, Bergschneider & Kumble, L. A. Barnhart, W. H. Covelty, E. E. McNichols, O. C. Williamson, G. T. Douglas, Marion Meadows, Hopper & Son, A. R. Taylor, Economy Grocery Co., C. L. Rechner, M. N. McGound, A. E. Roberts, Frank Ferreira, Mackey and Davidson, T. A. Ebrey, Mathis, Kamm & Shibe

"The Mark of Quality." We make a dressing for every shoe under this trade-mark. All are the highest quality.

From County Agent's Office

Feeding Demonstration—The meeting to discuss "Feeding of Beef Cattle" by W. H. Smith, of the College of Agriculture, advertised for December 18th has been changed to 2 p. m., December 16th. The meeting at Jacksonville may be transferred to some one of the neighboring farms so that the meeting will be of the nature of a demonstration.

Mr. Smith has also been asked to hold a meeting on the forenoon of December 16th at Waverly.

Grain Farming Lease—A few weeks ago we announced the receipt of a livestock lease. We have now received a grain farming lease.

1. It provides for the disposition of the clover crop which is the hardest of all crops to divide equitably in a grain tenant system.

2. It provides for a definite understanding as to the cropping system to be followed.

3. It permits the tenant to put up improvements and apply fertilizer and provides for his reimbursement for any unexhausted portion of such improvements.

4. It is elastic enough to fit into any of the conditions where such a lease is likely to be used.

Clover Seed Situation—As previously announced the clover seed situation is decidedly acute. We have located some small surpluses of seed in Iowa and will arrange for some of our Farmers' Elevators to order supplies of this. The new seed law makes it some what more difficult to handle seed than was formerly the case, but we understand the seed located in Iowa must stand the analyses of the State Seed Laboratory at Springfield.

Miss Dorothy Lukeman has returned from New York City after a three weeks visit with Mrs. W. H. Henrichsen.

Don't be without SLOAN'S LINIMENT

It is more popular than ever. There can be but one answer—it produces results.

Applied without rubbing, it penetrates to the afflicted part, bringing relief from rheumatic twinges, sciatica, sore, stiff, strained muscles, lame back, and other exterior pains and sprains and the result of exposure. It leaves no messiness, stain, clogged pores.

Get a large bottle for greater economy. Keep it handy for use when needed. Your druggist has it. Three sizes—35c, 70c, \$1.40

POPOLOX LIVER AND STOMACH

Beauty Answers By MADAME MAREE

Squeezing and pinching out blackheads make the pores large and cause irritation. Then, too, they have become hard you cannot get all of them out. Blackheads are caused by accumulations of dust and dirt and secretions from the skin and there is only one safe and sure way and one that never fails to get rid of them—a simple way, too—that is to dissolve them. Just get from any drug store about two ounces of powdered peroxide, 50 cents' worth—sprinkle a little on a hot wet sponge—rub over the blackheads briskly for a few seconds—wash off and you'll be surprised to see that every blackhead has disappeared, and the skin will be left soft and the pores in their natural condition—anyone troubled with these unsightly blemishes should try this simple method.

ALL OUT—do not wonder that you are disgusted with the hair tonics commonly sold. Did it ever occur to you that you need a real hair grower instead of a hair toner? A hair grower is a formula which has a wonderful effect upon the cell-growth of hair, and results can be quickly seen in the growing of new hairs, in the vigorous growth and lengthening of hair, and in its added lustre and softness. Here is the formula: To half a pint of bay rum add half a pint of water (or else you may use a full pint of witch-hazel if you wish) and to this add one ounce of beta-quinol, which will cost no more than fifty cents at the drug store.

Mrs. T. C. G.—Cheer up! You'll be one of the happiest women in the world in a few days. I can promise you that because your dream of a beautiful complexion will surely come true if you do as I say. Thousands have done it; you can do it. It never fails. Stop using all the prepared complexion creams sold in the stores and make your own this way. In a few moments, mix one ounce of salicylic acid, 50 cents' worth, and two tablespoonfuls of glycerine in a pint of water. It's simple and wonderful! Every spot will vanish and have your skin like that of the fairies you've read about. You too be sure of it.

Waverly Football TEAM BANQUETED

Citizens Gave Banquet Saturday Evening For Members of Team—Season Has Been a Successful One.

Waverly, Dec. 8.—About twenty citizens, business men, professional men and farmers, who have been active supporters of athletics in the Waverly Township High School since the organization of the school four years ago, gave a banquet Saturday night in the high school auditorium to the football team. The banquet was the big item on the bill of fare and all the customary trimmings graced the banquet table. The banquet was served by Miss Burwash and her class of domestic science girls.

It has been the custom each year for the rooters to honor the athletic teams in some manner and a mid season oyster supper had already been given this year's team, but Saturday night's spread was a much more pretentious affair.

Following the banquet Captain Redfern, on behalf of the team, presented a sweater to Coach Chenoweth. A roundtable discussion followed and the citizens, after expressing their appreciation of the team, voted unanimously to make the banquet an annual affair to be held at the close of the football season. C. A. Carter, a prominent farmer and cattle breeder, who has served several years as member of the school board and is now its president, was elected president of the new organization and authorized to name a committee of four to assist in preparing for next year's banquet.

This has been a successful season on the gridiron with a record of seven games won, one tied and one lost and a successful basketball season is anticipated. In case the football situation is cleared up, basketball practice will soon be on in earnest.

UNTIL FURTHER NOTICE OUR STORE WILL CONFORM WITH THE ORDER OF THE UTILITIES COMMISSION. WEEK DAYS: 9 A. M. to 4 P. M.; SATURDAYS, 9 A. M. to 9 P. M. WE HAVE INCREASED OUR SELLING FORCE AND HAVE MADE SPECIAL ARRANGEMENT TO SPEED UP THE SALES AND DELIVERY SERVICE DURING THE SHORT HOUR DAYS. WE PARTICULARLY URGE CUSTOMERS TO DO THEIR SHOPPING AS EARLY IN THE DAY AS POSSIBLE. F. J. WADDELL & CO.

GRIP, INFLUENZA Hamlin's Wizard Oil A Reliable Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and sniff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza. Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.—Adv.

MAIL CHRISTMAS PARCELS EARLY

Coal Strike Has Curtailed Mail Service and May Result in Unavailable Delays.

Christmas parcels which are intended to be mailed should undoubtedly be given into the custody of the Post Office employees as soon as it is possible to do so on account of the unusual conditions which prevail this season. On account of the coal strike there will be a great curtailment of train service which will vitally effect the mail service, and will result in delays which will be unavoidable. The only remedy now at hand is to start your Christmas parcels now. Mail cars and sacks will be more than congested, and if you expect your parcels to get thru in good shape the remedy is again with the sender. Wrap your parcels properly and tie them securely. Too much wrapping is always better than not enough. Use good string. Perishable and fragile parcels require special packing and wrapping.

It is unlawful to place letters in parcels, but a Holiday Greeting may be inclosed with the "Best Wishes" and name of the sender. "Do Not Open Until Christmas" may be written on the outside of the wrapper.

The officials and employees of the local Post Office want to give you good service, but it requires co-operation, and your help as above suggested will very materially aid them in giving you the service which you should have.

Mail Your Parcels Now.

6 Foot Lawyer Looked Like Pumpkin

"I was often doubled up with pains in my stomach and was yellow as a pumpkin before taking Mayr's Wonderful Remedy, which 10 years ago saved my life. My friends had given up all hopes of my recovery, as the best doctors did not help me. Am enjoying the best of health now." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by all druggists.—Adv.

A man's best pal is his smoke.

"Knew we'd get together"

—Ches. Field

HERE'S where the particular smoker meets the particular smoke—Chesterfield.

Particular is right! Not only do we use the four choicest varieties of Turkish tobacco—Xanthi, Cavalla, Smyrna and Sam-soun—but to these we add the rich, sun-ripened leaves of specially choice Domestic tobacco.

Fine as these tobaccos are, it's the exclusive process by which they are blended that gives to Chesterfields that satisfying body, that mellow richness which makes a smoke mean something.

Chesterfields certainly do satisfy as no other cigarette has satisfied you before—and to top it off, they are packed in a glass-line paper package that preserves for you all of that delicious flavor.

Liggett & Myers Tobacco Co.

The Price of Pork Chops and Bacon

Here are reasons why the fine, fresh pork tenderloins and pork chops, or savory ham, or crinkly bacon, which you enjoy for breakfast, cost much more per pound than the market quotation on live hogs which you read in the newspaper:

An average hog weighs 220 pounds.

Of this, only 70 per cent (154 pounds) is meat and lard.

So, when we pay 15¢ a pound for live hogs, we are really paying more than 21¢ a pound for the meat which we will get from these animals, even after taking into account the value of the by-products.

But people show a preference for only one-third of the whole—the pork chops, fancy bacon, and choice cuts from juicy hams.

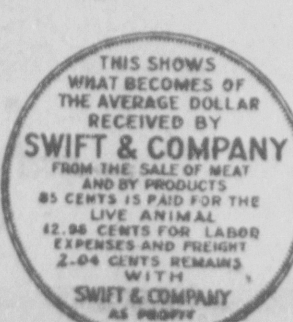

This means that when we are selling Premium bacon at 43½¢ per pound wholesale and Premium hams at 30¢, there are other parts for which we get as low as 6¢ or 8¢ per pound. The net result is an average profit to us of less than 1¢ a pound.

The choice cuts are higher because of a demand for them.

Another thing: Only 35 pounds of the entire hog—or about 1/6th—is usually marketed at once. The rest must be pickled, cured, or smoked. This takes months, and adds to the costs which must be met.

GREGORY FARM WINS AT CHICAGO SHOW

White Hall Horse Carries Off Percheron Honors—Full Conservation Being Generally Observed—News Notes.

White Hall, Dec. 8.—Mr. and Mrs. W. S. Corsa arrived home from Chicago Monday in an exceedingly happy frame of mind over the greatest victory yet achieved by Gregory Farm with its entries of Percheron horses and Berkshire hogs at the International Live Stock Exposition. This year is the decennial of the purchase by Mr. Corsa of Carnot, the grand champion Percheron stallion of America and France, during which time the contributions of this stallion to the draft horse world eclipses that of any other sire on record. This statement is made in advance of the facts in the case that are now being prepared by Wayne Dinsmore, a competent horse authority. In 1909 Mr. Corsa paid \$10,000 for

Carnot in the very same ring in which this year's Gregory Farm Percheron victory was achieved. The purchase immediately brought Gregory Farm into national prominence as a breeding establishment. Carnot is now valued at \$40,000, a half interest in him having been purchased about five years ago for \$20,000. The get of sire by Carnot has won first place at the international show since 1912, a record unequalled.

The Percheron exhibit this year included 290 animals, and is the biggest Percheron showing yet made at the international. The sensation of the show was the yearling stallion Wolfington from Gregory Farm, which won first in the open and first in the futurity classes. Other winners on Gregory Farm stallions included Carvalentine, four years old, fourth; Carvictor, three years old, first; Carnola, three years old, fifth; Locapre, yearling, ninth in open and seven in futurity; Locanon, fifteenth in futurity. The two mares shown won as follows: Carna fourth, two years old, seventh; Locanant, yearling, fourth in open and fifth in futurity. Other winners included first and third on get of sire by Carnot; first on produce of dam; fifth on three mares; third on stallion and the same three mares, the stallion being then sold for \$5,000; second on stallion with three mares, American bred; second on five best stallions.

In the hog department the Berkshire breed made a big display, and the Gregory Farm hog came away with grand champion honor, first junior yearling boar, first junior yearling sow, and second on get of sire and aged herd.

This great White Hall breeding establishment has demonstrated its tremendous influence in behalf of the "Better Sires, Better Stock" campaign that is being waged by the United States Department of Agriculture, and this high standing has really been achieved in the short space of ten years.

Community Loyal to Fuel Conservation.

All local mercantile establishments have adopted a seven-hour basis in order to save fuel, and the new arrangement went into effect today. The hours of business henceforth will be from 10 a. m. to 5 p. m. This action was taken following a conference of business men, and it is being universally observed. The decision is almost in harmony with the foodhouse merchants, whose hours are said to have been fixed at from 9 a. m. to 3:30 p. m., six and one half hours. What Carrollton has done, if anything, could not be ascertained today. The Saturday hours at White Hall were fixed at 9 a. m. to 9 p. m.

The local situation is well in hand. The fuel committee headed by J. H. Fox and Carrollton is considering the general demands. They have provided two hundred cords of wood, purchased from Lincoln Hawk at \$3.50 per cord on the ground, and it can be prepared and delivered at \$6.00 per cord. Two cars of coal were received at the Ruckel pottery today that will be sold at the old rate of \$5.75 per ton. For some time the Ruckel institution has been retailing coal at cost. Three more cars for other local dealers are now enroute, but this will have to be disposed of at ten dollars or more per ton. The Ruckel institution has offered to co-operate with the fuel committee in handling coal or wood, and their scales and office facilities will be at their services without cost, including the office force.

The prevalence of wintry conditions during the past week has added to the seriousness of the situation. On Monday night of last week the temperature dropped to eight degrees above zero, the lowest so far this season, and on the following Friday night there was a combination of sleet and rain that has rendered walks unsafe for reckless pedestrianism. The highest temperature during the week was 33 degrees on the 5th, 6th, and 7th. Some progress has been made with the corn harvest. There is no snow on the ground.

Mrs. W. A. Johnson underwent a serious operation at Springfield Saturday, and advices from there are now encouraging.

Perry Marshall is recovering nicely from an operation last week for appendicitis, performed in a Jacksonville hospital.

The Masons elected the following:

The Quick Way to Stop a Cough

This home-made syrup does the work in a hurry. Easily prepared, and saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few minutes. It's cheap, and for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it's good for you, too. Pour 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup. If you use Pinex you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot, and gives quick, lasting relief. It promptly breaks the inflamed membrane that lines the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract famous for healing the membranes. To avoid disappointment, ask you drugist for "2½ ounces of Pinex" with directions and don't accept any thing else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

ing officers at their annual meeting: W. M. Harry R. Fry, Senior Warden, Clarence Whiteside, Junior Warden, Marcus McCollister, Treasurer, Guy Lowenstein, Secretary, A. E. Vosseller, Rev. E. L. Wendell has returned from Beardstown to await improvement in the conditions of employment. He states that the Burlington railroad has dropped men by the hundreds at Beardstown, and that there will be no improvement until fuel conditions are fully restored.

The local post of the American Legion is negotiating for the purchase of the Dr. Redwine residence property at the corner of Sherman and Jacksonville streets for use as headquarters. This is a commodious structure and adjoins the extension to Whiteside Park, opposite the corner of the park where it is proposed to erect a memorial arch. As soon as the matter of headquarters is settled, the post will hold the first election for permanent officers.

Calver Post, G. A. R., called a meeting Sunday for the annual election of officers, but not enough of the members held valid vaccination certificates to form a quorum, and the election was postponed until later in the month.

Industrial operations at White Hall practically ceased Saturday evening with the order closing the sewer pipe and the drain tile works. As soon as the kinks now on fire are burned out there will be nothing stirring until there is substantial relief from the fuel famine. The suspension period is being devoted to repairs and improvements, and this work keeps a large part of the men on the payroll. The schools will remain in session, but the only church that can hold services is the Presbyterian, which is heated by the city heating system, and the heating plant has a sufficient supply of coal to operate for two months unless it should be diverted to other use. The Burlington has suspended both night passenger trains thru here, and the Alton has cancelled the Jacksonville accommodation train. All the efforts of the local authorities are being directed to supplying the demands for domestic purposes. So far no results have been evidenced from the proposed operation of the local vein of coal.

R. A. Warren and wife of Bluffs were visitors in the city Sunday.

NAME "BAYER" MEANS ASPIRIN IS GENUINE

Safely stop headaches as told in "Bayer packages"

Millions of men and women have proved "Bayer Tablets for Aspirin" with the "Bayer Cross" on tablets, the quickest, surest, safest relief for their Headaches, Colds, Neuralgia, Toothache, Earache, Rheumatism, Lumbago, Neuritis. Pain seems to fade right away.

Buy only a Bayer package containing proper directions. Always say "Bayer."

Handy tin boxes of 12 tablets cost but a few cents. Drugists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.—Adv.

Big Canned Fruits and Vegetables Sale

A shipment of Libby's Famous Canned Fruits have just arrived. Our order was cut short due to the small pack and very heavy demand. We have had hundreds of inquiries in the past month as to when Libby's Fruits would be in. We promised to advertise on their arrival. Everything arrived but Pineapple, which will be here in a short time. The prices are much higher than former years, but not near as high as they will be. We advise our customers wanting Libby's Fruits to buy this week.

Libby's extra lemon cling peaches \$5.75 per doz.
Libby's Rosedale lemon cling peaches \$5.50 per doz.
Libby's Extra Royal Ann Cherries \$6.40 per doz.
Libby's Rose Dale pears \$6.20 per doz.

Libby's Extra Apricots \$5.75 per doz.
Libby's No. 2 Extra Apricots \$4.60 per doz.
Libby's Green Gage Plums \$5.30 per doz.
Libby's Happy Vale peaches \$5.25 per doz.

All of the above listed fruits are in extra heavy syrup and will be retailing at from 60 to 75c per can this winter.

200 dozen cans Woodford Cocoa, \$1.75 per doz.
200 dozen cans good standard corn \$1.64 per doz.

200 dozen cans selected Early June Peas \$1.73 per doz.
Best Kansas Hard Wheat Flour, \$3.29 per large sack

Best Northern Potatoes \$2.19 per bu.
No. One Soft Shell English Walnuts 44c per lb.
